READ the following papers:—

From the Public Works Department, Dated 23rd February 1893 No 180 I recording the Inspection Notes of the Periyar No 1 division by the Acting Chief Engineer, Public Works Department, from the 23rd to the 29th January 1893.

From the President, District Board, Madura, Dated 5th April 1893 No 26.

With reference to endorsement No 153/14-3-93 of Government forwarding for early report para 1 of the Inspection notes of the Chief Engineer about the bad state of the road from Kuruvanuthu to Kumili, I have the honor to state that the road is one under the Direct Control of the District Board. It is being maintained by it at a cost of Rs 150 per mile. From the latest reports received from the Local Fund Assistant Engineer in Charge (contract

extract enclosed) it is understood that only a mile and a half near Kuruvanuttu is in bad order and has formed the subject of remark by the Chief Engineer. The District Board Engineer has already issued necessary orders for the immediate repair of that portion.

Order 13th April 1893 No. 819 L. Mis.

The President's letter read above will be Communicated to the Public Works Department.
