G.O., dated 3rd February 1893, Mis. No. 222 L., Local and Municipal.

ABSTRACT.—Referring to certain Presidents of District Boards statement showing the amounts of estimates for Local Fund works scrutinized by the Public Works Department for the quarter ending 31st December 1892.

READ—also the following papers :—

From W. H. WELSH, Esq., President, District Board, Trichinopoly, to the Chief Secretary to Government, dated 8th February 1893, No. 8.

With reference to G.O., dated the 3rd instant, Mis. No. 222 L., I have the honour to state that the amount of the estimate as sent from this office was Rs. 6,250 and not Rs. 6,350 as would appear from the statement accompanying the Government order. The estimate has not yet been received back from the Public Works Department, and I am not sure whether the entry of Rs. 6,350 is incorrect or is due to alterations made by that department during scrutiny.

From the President, District Board, South Arcot, dated Cuddalore, 10th February 1893, No. 54.

From the President, District Board, Kistna, dated 13th February 1893, No. 206-D.B.

From the President, District Board, Tanjore, dated 28th March 1893, No. 69.

ORDER—dated 7th April 1893, No. 754 L., Local and Municipal.

The statement received from the Public Works Department will be forwarded to the Accountant-General with the request that he will make the necessary adjustments in communication with the Examiner of Public Works Accounts.

2. The attention of the President of the District Board, Trichinopoly, will be drawn to paragraph 3 of the Superintending Engineer's letter communicated with G.O., dated 7th February 1893, No. 259 L.
