No. 13. *Extract from the Proceedings of the Government of India, in the Military Department; dated Simla, the 22nd August 1892, No. 2407-MW.*

Special and Miscellaneous.

Read—

Letter from the Quarter Master General in India, No. 3904-A, dated 2nd July 1892, on the subject of the occupation by the Eastern Bengal State Railway of the encamping ground at Kissengunj on route No. 461, without affording sufficient opportunity to the military authorities to decide whether the arrangements made were suitable for military requirements.

Resolution.—The Governor-General in Council has decided that, in supersession of all previous orders on the subject, no land whether—

(i) within cantonment limits,
(ii) forming part of a military encamping ground, or
(iii) otherwise held for military purposes,

shall be entered upon or occupied for constructing a railway, erecting buildings, or for any other purpose, either by private persons or persons acting under the orders of any Department of the State, until the sanction of the Government of India in the Military Department to the occupation or use of the land has first been obtained and communicated to the General officer commanding the district by the Quarter Master General in India or by the Quarter Master General of the Madras or Bombay Army, as the case may be.

Order.—Ordered that a copy of this resolution be forwarded, for information and guidance, to the Local * Governments and Administrations, and to the officers † marginally noted.

Also to the Public Works Department, for information and further necessary action.

No. 14. *From Colonel A. G. HUTCHINS, for Quarter Master General, Madras Army, to Brigadier-General H. R. HOPE, Secretary to Government, Military Department; dated Ootacamund, 21st October 1892, No. 2164-M (Cantonments — Lands).*

In returning reference order No. 5876 of the 21st ultimo, forwarding, for remarks, resolution of the Government of India deciding that, in future, no land, whether within cantonment limits forming part of a military encamping ground or otherwise held for military purposes, should be entered upon or occupied without the sanction of the Government of India in the Military Department having been first obtained and communicated, I am desired to state that, in the opinion of the Commander-in-Chief, the procedure laid down in Army Regulations, India, Vol. II, Part II, para. 2000 *et seq.*, under which all grants of land within cantonments are made under the orders of His Excellency, having worked satisfactorily for many years past, there seems to be no reason, so far as this Presidency is concerned, for disturbing the same, especially by a change of procedure which would result in very great delay and inconvenience in the settlement of such questions, if, as the present ruling requires, a reference has to be made in every case to the Government of India and its orders obtained before applications for grants of land within cantonments can be disposed of.

2. The present decision of the Government of India being distinctly at variance with the provisions of section 82 of the new Cantonment Code, an amendment of the latter would seem necessary if the above decision is to be followed in future.

3. Your memo. No. 6343 of 7th instant, with enclosures, is herewith returned, with thanks.

Read—

Letter from the Quarter Master General in India, No. 3904-A, dated the 2nd July 1892, on the subject of the occupation by the Eastern Bengal State Railway of the encamping ground at Kissengunj on route No. 461, without affording sufficient opportunity to the military authorities to decide whether the arrangements made were suitable for military requirements.

Read also—

Letter from the Government of Madras, No. 6828, dated the 28th October 1892, requesting that the procedure followed in the Madras Presidency, in regard to the grant of land within cantonments under the orders of the Commander-in-Chief of the Madras Army, may not be disturbed.

Observations.—It has been brought to the notice of the Government of India that cases have not infrequently occurred, in which land belonging to the Military Department has been taken up by railway or other civil authorities without proper authority.

Resolution.—As such action is productive of considerable inconvenience, and in many instances of subsequent military expense, the Governor-General in Council has decided that, in supersession of all previous orders on the subject, no land, whether—

(i) within cantonment limits,
(ii) forming part of a military encamping ground, or
(iii) otherwise held for military purposes,

shall be entered upon or occupied for constructing a railway, erecting railway or other buildings, or for any other purpose whatever, either by contractors or any other persons (official or non-official) acting under the orders of any Civil Department of the State, until the sanction of the Government of India in the Military Department to the occupation or use of the land has first been obtained and communicated to the General officer commanding the district by the Quarter Master General in India, or by the Quarter Master General of the Madras or Bombay Army, as the case may be.

Proviso.—This resolution does not, however, in any way affect the powers at present exercised by the General officers commanding districts in the Bengal and Bombay Presidencies, and by the Commander-in-Chief in the Madras Presidency, in sanctioning the grant of sites for ordinary building or other private purposes in cantonments, in accordance with the procedure laid down in Army Regulations, India, Vol. II, Part II.

Order.—Ordered, that a copy of this resolution be forwarded to the Local * Governments and Administrations for information and guidance, and to the officers † marginally noted for information.

Ordered also, that a copy be forwarded to the Public Works Department, for information and further necessary action.
