GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following paper:—

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Secretary to Government, Public Works Department, dated Chepák, 17th April 1893, No. 146.

In forwarding herewith T.D.A. No. 62, dated 29th March 1893, from the Executive Engineer, Bangalore Military Works Division, for Rs. 362-11-6, unaccepted, I have the honour to state that the percentages therein charged for establishment and tools and plant are on lump sum payments, such as compensation for sittings, pay of watchmen, &c., which, under G.O., No. 471 W., dated 15th February 1892, are exempted from such charges.

2. The Examiner of Military Works Department is of opinion that the order of Government of Madras contained in Government Order above quoted is not binding on the Military Works Department, and that therefore the usual charge under Public Works Department Code, chapter XV, para. 131, should be applied. I beg therefore to request order in this matter.

3. The Code rule, chapter XV, para. 131, refers to expenditure of Imperial funds by Provincial establishment and states that the percentage for establishment shall not be charged on disbursements for the purchases of land and house property or furniture. The present case is similar to this, being expenditure of Provincial funds by Military Works Department and is merely a disbursement of money in payment for church sittings and the pay of watchmen, &c., and it would be well to make an addition to the para. 131 exempting such lump sum payments which involves little if any establishment or tools and plant expenditure.

4. The Standing Order may stand as follows:—

In like manner no percentage should be charged to Provincial funds on all lump sum payments, such as compensation for sittings, watchmen wages, &c., made by Military Works Department.

Order—dated 1st May 1893, No. 1183 W., Public Works.

The Government of India will be addressed.
