Reference to P. W. D. Code.

Chapter I, para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

From W. Jopp Esquire, Executive Engineer, Krishna Eastern Division to the Superintending Engineer, 2nd Circle, dy Bezwada, 25th March 1893, No. 7,070.

I have the honor to forward herewith a copy of an application for increase of pay from Stone Keeper Mr. D. Harper.

2. Mr. D. Harper first joined the department as a clerk in the Workshops in the year 1870. He thus has some 23 years services.

3. His pay now stands at Rs 50. His position is one of considerably more responsibility and of a much more arduous nature than that of a clerk.

If he remained in the Clerical branch instead of taking up the Stone Keeper's work, his remuneration would probably have been better than it now is.

4. I have found him careful and attentive to his duties, and a good stone keeper and I consider that a monthly pay of Rs 60 would not be by any means too great.

5. I should, therefore, be glad if

You

You could obtain sanction to the increment.

(Enclosure)

Letter from Mr. D. Harper, Stone Keeper Kistna Eastern Division, to the Executive Engineer, Kistna Eastern Division, dated 20th March 1893.

I most humbly beg to lay the following circumstances for your kind consideration trusting you will take a favourable view of the same.

I have been employed in the P.W. for the last 22 years, 13 years in the Bezwada Workshop as 2nd Clerk, and 9 years as Divisional Stonekeeper, during which period I have gained every satisfaction to all my superiors. (Please see Harper's file in the Superintending Engineer's office).

The pay I draw now is Rs 50 which is very small when compared with the amount of responsibility and heavy work I am placed under. I am in charge of both the Divisional and Workshop stores and the average value of the stores (Tools, Stock & Tramine Tools) is nearly two lakhs of Rupees. And all articles manufactured in the Workshops pass through my hands and have to be shown in my books.

I have to maintain with my present pay - Rs 50, a large family of five souls in this dear place, and an aged mother at Madras to whom I send Rs 5 a month.

You are well aware of my Inhamia and the increased heavy responsibility and heavy work devolving upon me, I beg you will kindly take my case into consideration, and be pleased to recommend me for an increase of pay.

For which act of kindness I shall ever feel thankful.

No. 3273/G
30.3.93

Submitted to the Chief Engineer, P.W.D. with a request that Mr Harper's pay be increased from Rs 50 sanctioned in G.O. No. 2,217 W of the 14th August 1890 to Rs 60 in consideration of his approved services of 23 years, and as the Executive Engineer reports that he is a careful and a good Stonekeeper.

From the Supty. Engr: II. Circle No. 3273 dd 30 March/93
From the Examiner P.W. accounts No 1267 C dd 15 April/93

FOR ORDERS.

The Supty: Engineer II. Circle recommends that the pay of Mr. D. Harper, Storekeeper Kistna Eastern Dn, be raised from Rs 50 to 60 per mensem.

2. The pay of the post was originally Rs 30 per mensem. In G.O. No. 3101. W dd 16 November/87, it was raised to Rs 40, & in G.O No 2217. W dd 14 August/90 it was increased to Rs 50. The last increase was in G.O. No 2491. W dd 17 Sept/90 declared to be personal to Mr. Harper.

This hardly 2 years since he got his last increase of personal allowance, but it seems to have merely whetted his appetite. I see no case for further increase

No. 1190. Wd/2 2nd May 1893

It is observed that it is barely two years since Mr. Harper got his last increase as a personal allowance. The Government sees no reason for a further increase.

A statement showing the pay drawn by store keepers in other divisions is enclosed.
