Presidency P.W stores
Madras 16th March 1893.

From

L.L. Wickham Esquire
General Superintendent

To,

The Superintending Engineer

Sir.

With reference to your endorsement No. 41 P.W.S dated 7th February 1893 upon this office No. 77 of 13th December 1892 herewith returned I have the honour to explain that in the telegram as per G.O No. 492 W dated 16th February 1892 16300 hammers and 17250 mamoties have been asked for from England but in the Bimonthly return received with your endorsement No. 115 P.W.S dated 16th March 1892 it was observed that tenders were invited for 16,500 hammers and 17,500 mamoties & hence were contracted and shipped. Hence the increase in these two items.

Again in the telegram as per G.O No. 2022 W dated 15th July 1892 20000 hammers were asked for & received with the exception of 9 which were found deficient in some of the casks received in broken condition & the value thereof recovered from the ship agent.

Twelve Crowbars were short landed and the value recovered.

As. 16647 handles were received with the 16,500 hammers they were provided for in the estimate but the handles for the 30000 hammers were not received.

Please &c.
