Sir,

I have the honor to
request that you will be
so good as to obtain the

of one of the 3 rooms of the Store
Room at Malapuram, on a
month by rental of Rs 2 which
be occupied for one month
only viz July 1892.

2.

The other two rooms are
being used as Overseer's office
and

and Store room.

The Capital cost of the

Submitted to the Chief
Engineer, P.W. Department,
with a request that he will be
good enough to obtain or-
ders of Government authoriz-
ing the Examiner to admit
the rate of rent levied, viz.

It is suggested that petty questions of this
nature might be decided by District

Submits letter from

 sanction of Govt to
 letting a room of
 on a rental of Rs 2/-
 per mensem

This is not apparently a
 rentable building and was tempo-
 rarily occupied as a special case by
 a departmental subordinate whose
 salary is less than Rs 1000. Ordinarily
 Superintending Engineers are empow-
 ered to fix rents for public buildings
 occupied as residences. Code III. 61 (m),
 but in cases of this particular nature
 Local Governments and Adminis-
 trations are required to determine
 the rent per Code XI. 28. II (c).

Government may therefore,
 now be desired to accord their
 formal sanction to the rent of Rs 2/-
 charged by the Executive Engineer
 and approved by the Superintending
 Engineer.
