No. 109/KP

Superintending Engineer's Office,

II CIRCLE, *Bengal*

Dated 11 April 1893.

From,

A. A. G. Mallet Esquire,

126

Offg: Superintending Engineer,

II Circle.

To,

The Chief Engineer,

Public Works Department,

Madras.

Sir,

I have the honor to inform you that, under orders of the Superintending Engineer, I relieved Mr J. W. Martin and assumed charge of the Superintending Engineer's Office on the afternoon of the 3rd April. The *Fort Saint George Gazette* in which I was appointed to officiate as Superintending Engineer and Mr S. Sopala Krishna Rao was appointed to relieve me of the charge of the Krishna Western Division, was received by me on

on the 4th April 1893.

3. As I had received no previous intimation that I was to be relieved of Charge of Kistna Western Division I had made no arrangements to hand over Charge.

4. Mr. S. Gopala Krishna Iyer had recently sprained his ankle and was unable to at once travel to Duggināla (the Head Quarters) to assume Charge and for this reason, and because the date of his father's Annual Ceremony intervenes, it will not be possible for me to hand over Charge till the 14th April afternoon.

5. I have, therefore, the honor to request that I may be gazetted as in charge of both Executive Engineer's and Superintending Engineer's Offices up to the 14th afternoon, so that I may claim pay and allowances under Article 184 (1) Civil Service Regulations subject to a limit of Rs 1,100 for that period.

6. If you consider it advisable

advisable, I will first report as soon as I have handed over Charge of the Division to Mr. S. Gopala Krishna Iyer. $\frac{2}{1206}$

I have the honor to be,
Sir

Your most obedt Servant,
