11TH APRIL 1893, No. 234, EDUCATIONAL.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th March 1893, No. 851.

With reference to notification, No. 20, published at page 179 of the *Fort St. George Gazette*, dated the 14th February 1893, granting furlough for one year to Miss E. Carr, Inspectress of Girls' Schools, I have the honour to enquire whether this leave was granted on the report of a Medical Board on account of the state of Miss Carr's health. I make this enquiry as in such cases I am required to note the fact in the last-pay certificate under paragraph 3 of the Secretary of State's despatch, No. 231, dated 17th November 1892, communicated in Government of India letter, No. 169 P, Financial, dated 13th January 1893, and I beg that, when leave is granted under such circumstances, the fact may in future be notified in the *Gazette*.

ENCLOSURE.

From R. A. GAMBLE, Esq., Officiating Under Secretary to the Government of India, Finance and Commerce Department (Leave, &c.), to the Accountant-General, Madras, dated Calcutta, 13th January 1893, No. 169 P.

I am directed to forward copy of a despatch from Her Majesty's Secretary of State for India, No. 231 (Financial), dated the 17th November 1892, regarding the grant of the minimum rates of absentee allowances during leave out of India.

2. With reference to paragraph 5, I am to request that a list may be prepared of all officers whose absentee allowances may be affected by the present ruling. For those officers who have been granted such certificates as would render leave on medical certificate admissible, revised last-pay certificates should be issued at as early a date as possible. The names of the remaining officers should be submitted to the authorities who granted them leave, with the request that, after making the necessary enquiries, it may be certified in each case whether it is established that the grant of leave out of India was necessary on account of the state of the officer's health. On receipt of replies, revised last-pay certificates should be issued, or not, according to the nature of the certificate given in each case.

Despatch from the Right Honorable Lord KIMBERLEY, Her Majesty's Secretary of State for India, to His Excellency the Most Honorable the Governor-General of India in Council, dated India Office, London, 17th November 1892, No. 231 (Financial).

I have considered in Council your letter, dated the 12th of October, No. 283, relative to the interpretation of the authority given in my predecessor's despatch of the 25th of June 1891, No. 125, for the grant of minimum rates of absentee allowance to officers on sick leave.

2. The view taken in that despatch was that persons whose health may have broken down in India, and who are ordered by a Medical Board to seek the restoration of their health in a temperate climate, have a claim to such a moderate rate of absentee allowance as may enable them to avail themselves of the leave ordered for them; and this claim does not appear to me to be affected by the fact that the officer whose health has broken down is granted leave for which he would have been eligible without a medical certificate.

3. In all cases, therefore, in which the Government or other authority granting the leave is satisfied that the state of an officer's health compels him to proceed to a temperate climate, the minimum rates of absentee allowance sanctioned for sick leave should be conceded; and, if the leave is not technically sick leave, the fact that it was granted on the report of a Medical Board should be noted in the leave and pay certificate.

4. Under this decision, Mr. P. White, of the Survey Department, whose case is referred to in the third paragraph of your letter under reply, and whose application for the minimum rate of absentee pay was forwarded for your opinion in my despatch of the 22nd of September, No. 181, is entitled to that rate of allowance; and I have given instructions for the issue of his furlough pay accordingly, pending the receipt of a revised leave and pay certificate.

5. I request that you will give instructions for the transmission of amended leave and pay certificates for all officers whose absentee allowances are affected by this ruling, and who may have left India before the issue of orders by your Government under this despatch.

From D. DUNCAN, Esq., M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 4th April 1893, No. 3521.

With reference to endorsement, No. 621, of the 1st instant, Educational Department, I have the honour to state that the furlough granted to Miss Carr in G.O., No. 26, dated 14th February 1893, Educational, was not recommended on the report of a Medical Board, though Miss Carr's object in taking this leave is to recruit her health. During her service of over 10 years she was absent only twice on privilege leave, and the arduous duties that have devolved on her have rendered such rest very necessary. The original enclosure is returned.

ORDER—dated 11th April 1893, No. 234, Educational.

The Accountant-General will be informed that Miss Carr's furlough was not granted on the report of a Medical Board, but that, with reference to paragraph 3 of the Secretary of State's despatch, dated 17th November 1892, No. 231, Government was satisfied that the state of her health was such as to compel her to proceed to a temperate climate.

2. With reference to the request in the concluding portion of the Accountant-General's letter, dated 18th March 1893, No. 851, the Government observes that it would not be convenient to notify in the Gazette an officer's being granted leave under the circumstances mentioned in paragraph 3 of the Secretary of State's despatch quoted above. In all such cases the fact will be mentioned in the order granting the leave, copy of which will be furnished to the Accountant-General.
