PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Collector, Bellary, d/ 4th April 1893.
No 1191.

It has been brought to notice that one Kattaswara temple in Hadagalli is out of repairs and that repairs to it are urgently needed. The Executive Engineer was requested to prepare an estimate for same but he replied that it was not possible to make a correct estimate and that it would require Rs 100. A copy of the Executive Engineer's letter with the Head Assistant Collector's recommendation thereon is submitted for the information of Government. The temple has much of Archaeological grandeur about it. It is No 49 on Mr Peas list recently published (1891).

Under these circumstances, I have the honour to request that sanction of Government be obtained for Rs 100 required for repairing the temple as pointed out by the Executive Engineer.

Enclosure.

With reference to your letter No 817, d/

21st February 1893. I have the honour to inform you that it is not possible to make any accurate estimate but, I should say it would not cost more than Rs 100 to underpin the parts now without support with plain stone work and replace as far as possible the stones that have got out of line.

I have &c.

Ed. C. J. Peters

Executive Engineer.

Ref. No 931
15-3-93.

Forwarded to the collector. A photograph privately sent shows the beauty of the structure and the necessity for urgent repairs if the building is to be saved from ruin.

It is requested that Government be moved to take the matter in hand and sanction the amount required by the Public Works Department from whom an estimate should be urgently required.

The temple is No 49 on Mr. Reas list.

Head of C. B. S.

From the Superintendent Archaeological Survey, Madras, of 16 April 1893, No 60.

Adverting to Reference in the Public Department, No 696, of 12 April 1893, I have the honour to report that the small temple at Hirahadagalli

Hirahadagalli is one of the best pieces of architecture I have seen in the Presidency. The urgency of repairs was mentioned in my list. The amount mentioned, is sufficient to effect all repairs necessary.

Order, of 25 April 1893, No 329.

Communicated to the Public Works Department with the request that the necessary orders for the repair of the temple may be issued at an early date.
