GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following paper:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 28th April 1893, No. 277 G.D.

I have the honour to bring to your notice that the sale of the Deputy Tahsildar's office building at Sivakodu in the Gódvári district was sanctioned in G.O., No. 1366 W., dated the 16th May 1890.

2. The Deputy Tahsildar's office was removed to Razole and the Executive Engineer, Gódvári Western division, requested the Deputy Collector at Narsapur to arrange for the sale of the building at Sivakodu, but he has proposed its transfer to the Local Fund Board, rent free, for the location of a school at that place.

3. The Collector, Gódvári district, states that he sees no objection to hand over the building as proposed by the Deputy Collector and sends me a copy of the Resolution of the Narsapur Taluk Board in which it is stated that the building will be kept in good repair if it is made over to the Board.

4. The building is not at present required either by this or other department, and I would therefore beg to recommend that it should be handed over to the Local Fund Board, rent free, provided that the Local Fund Department keep the building in repair. A similar course was followed with reference to the old taluk cutcherry at Peddápúram, &c.

ORDER—dated 15th May 1893, No. 1302 W., Public Works.

The transfer to the Gódvári District Board of the old Deputy Tahsildar's office at Sivakodu is sanctioned on the conditions that it is kept in repair and will be surrendered on due notice should it again be required by Government.

2. This order supersedes G.O., No. 1366 W., dated 16th May 1890.
