From the Public Works Department,

no 1749-c dated 13th April 1893.

From the Quarter Master General, no 829

M. W. dated 28th April 1893.

In returning Reference order Military Department, no 2646 of the 21st Instant, and its enclosures, I have the honor to report that at the West Hill Barracks Balicut, all the quarters are the property of Government, there however only exist for the commanding officer, a subaltern and the apothecary. As a British officer is in medical charge of the Detachment, quarters for his accommodation are absolutely essential and these have hitherto been found by the utilization of the quarters constructed for the apothecary who consequently has to live a long way from his work, as already ex-

plained

explained in para 1 of this office letter
no 1867 M. W dated 15th September 1892
embodied in P. 4 no 2775 W dated 6th Oct 1892.

2. The apothecary's quarters are quite unsuited
for the requirements of the medical officer
and are moreover required for the residence
of that subordinate.

order:— The foregoing letter from the
Quartermaster General communicated to
the Public Works Department with the
remark that in the circumstances explained
quarters for the medical officer in charge of
the Detachment of British Infantry at
Calicut sum necessary.
