To

Please see accompanying letter No.30 G.L.dated 11th.April 1893 from the Superintending Engineer Ist.Circle inquiring whether the orders in G.O.No. 1233 W.dated 28th.28th.April 1890, regarding the incidence of charges for watchmen for rest houses, are superseded by G.O.No.840 W.dated 28th.March 1893.

2. Under the latter G.O.watchmen to look after buildings and stores are required to be debited to "works", while in G.O.No.1233 W. Government considered that charges for watchmen for rest houses should come under their scrutiny and be debited to establishment.

3. As it seems doubtful whether G.O. No.1233 should be considered superseded by the later order of 28th.March 1890, the intention of Govt. may be intimated.

The orders

W.H. have to be obtained from the General Records
The charge is right but should be to be done check on the statement of these men, which under the new order is left entirely to Superintending Engr.
An awful lot of money is thrown away on these men, who are for the most part merely cooking for the convenience of P.W. Subordinates. What restrictions orders in regard to their employment can be issued?
