PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Presidency Port Officer, Madras,
18th March 1893, No: $\frac{690}{94}$ G.

I have the honour to request that the necessary sanction of Government may be obtained for the preparation by the Public Works Department of an estimate of the cost of constructing a store Room for the Calicut Lighthouse the cost of which is likely to exceed Rs (500) five hundred.

From the same officer of 21st April 1893,
No: $\frac{690}{127}$ G.

With respect to Marine Department Memorandum, No: 588, dated 27th March 1893, I have the honor to acquaint you, for the information of Government, that at present for want of accommodation at the Lighthouse - mineral and sundry stores for the Light are stowed in the Port and Customs building situated about 220 yards from the Lighthouse - an arrangement which is both inconvenient and dangerous. A store room attached to the Lighthouse, as at other ports, is therefore a necessity.

2. I have further to request that sanction may also be accorded to the Public Works Department preparing an estimate for providing quarters for the Lightkeepers at Calicut cost of which will exceed Rupees (500) five hundred. Similar buildings were recently sanctioned for Mangalore and it is of great importance that the keepers should reside on the spot. This point received special attention on my recent tour of inspection.

Order of 3rd May 1893, No: 143.

The Government does not consider that the Presidency Post Office has established the necessity for constructing a store-room for the Calicut Lighthouse.

2. The Public Works Department will be requested to arrange for the preparation of an estimate for providing quarters for the Lighthouse keepers at Calicut.
