Calcutta, the 6th January 1893.

SIR,

The Secretary of State having again brought to the notice of the Government of India that honorary commissioned, warrant and non-commissioned officers on the unattached list have in many cases been permitted to leave India unprovided with last pay or pension certificates, when proceeding to England on leave or on retirement, I am directed to invite attention to Military Department Circular memorandum No. 558 A., dated the 15th March 1883, which was forwarded for information with Public Works Department Circular No. V-P. W., dated the 14th April 1883, in view to the instructions therein being more strictly observed in future.

2. I am to say that in the case of officers and men of these classes, columns IV and XIV in the form* of Last Pay certificate, in which particulars of previous leave and possible extension and commutation are usually noted, may be left blank.

3. As delays in the issue of Last Pay certificates are usually due to delay in notifying the grant of leave, I am to point out that much inconvenience will be avoided by having recourse to temporary Last Pay certificates—vide Public Works Department Code, Volume I, Chapter IV, para. 38.

I have the honour to be,

SIR,

Your most obedient Servant,

G. H. Walker

Under Secy. to the Govt. of India.
