PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the Accountant General, dated 1st April 1892, No. 963:—

In reply to your memorandum No. 62 dated the 30th March 1892, I have the honor to state that the Chief Secretary has promised as a temporary arrangement to let me have the North gallery and North Veranda of the Banqueting Hall in the Government office for the accommodation of the Forest Account Establishment. Should the proposed transfer be sanctioned by the Government of India

It is quite obvious however that the Deputy Accountant General who will have charge of the Forest Account in addition to his present duties, will be unable to exercise any effectual control over a group of clerks working in another building at such a distance from the scene of his regular work, and if the transfer be sanctioned, it will be necessary to make some arrangement for their permanent accommodation in my office I think it will be possible to do this within

needs

much difficulty, and I have asked His Government etrechisi to call here for the purpose of considering some proposals I have to make with that end in view.

Order thereon, 5th April 1892, No 1812

Read the following letter from the Accountant-General, dated 9th January 1893 No 1 -

not rec'd.

With reference to G. O. No 5591 dated the 20th of December which was not received until the 26th, and in confirmation of my demi official letter of the 31st December, I have the honour to state after consultation with the Commissioners of Land Revenue that if the additional accomodation required be provided in the meantime I shall be able to take over charge of the work of auditing Forest charges from the 1st of April next.

2. In Connection with this subject I would suggest that the Department of Public Works be moved to provide funds for the erection of the additional accomodation which I understand will cost about Rupees 6000/-

Ordn. thereon, 17th January 1893, No 148 Misc.

The transfer of the audit of Forest Accounts from the present Examiner to the Accountant-General will come into effect on April 1, 93. If accomodation for the Forest Account Establishment is not available in the Accountant-General's office on that date, the account staff must, for the present, remain at Chepak.

2. The question raised in para 2 of the letter read above will be considered in the Public Works Department. The construction of the additional rooms should be treated as a very emergent work.

3. A copy of these Proceedings will be forwarded for the information of the Government of India in continuation of Mr. Galton's telegram of the 2nd instant.
