Proceedings of the Madras Government ^{1468/11}

Read the following papers:-

G.O. Revenue Department d/ 7th September 1889
No. 5743.

Read the following:-

 I Proceedings of the Board of Revenue (separate Revenue) d/ 23rd July 1889 no. 2582 This on the following:-

- (1) Letter from the President, District Board, Vizagapatam d/ 30th May 1889 no. 370.
- (2) Reference thereon, d/ 11th June 1889.
- (3) Letter from the Deputy Commissioner of Salt and Abkari Revenue, Northern Division, d/ 8th July 1889 no. 1479 requesting that the Board will be pleased to approve of the purchase by the department, of the Traveller's Bungalow at Honada, as the President, District Board, Vizagapatam has consented to part with it for Rs 300.

Resolution.

The letter from the President, District Board, Vizagapatam first read above is submitted in original for the orders of Government with the recommendation that the

the building may be purchased for the use of the Salt Department.

2. It is reported that there is not sufficient accommodation in the existing circle office at Honabad, and that the building in question being close to the present office, will be of much use to the Department as a place in which to hold school for the peons, for the preservation of records and for the inspecting officers to put up in. The price offered by the Deputy Commissioner and agreed to by the District Board is very low and may be approved. The cost can be met from general savings. The only question is whether the District Board should charge Government for the conveyance of this old dark bungalow to them, if as no doubt was the case, the Government made it over to the District Board free of charge.

II Letter from the Collector of Vizagapatam d/ 20th August 1889 no. 2520 submitting a statement of Travellers Bungalow as directed by the Board with reference to Government memo no. 5781

d/

d/ 5th August 1889 R.D. 1463/89
Order thereon 7th September 1889 no 5745

The Government considers that the Local Fund Board cannot be asked to retransfer the building free of charge for the use of the Salt Department - seeing that they have maintained it since 1872. In these circumstances the purchase of the building at a cost of Rs 300 is sanctioned.

Order thereon d/ 25th September 1889 no 2181 L. Mis.

1. Revised List

1. Copy of G.D. No. 1114 dated 27/1/93

SIR,

In reference to G. M. O. No. 1621 U. dated 27 May 1892 directing to verify the entries in the list of vacant Government buildings transferred temporarily to Local Fund Board, I have the honor to submit herewith a Revised List completed to date and to inform you as follows:-

Gajam District.

Shed at Kuzgile
Shed at Kataloo
Shed at Sugamashope

The three marginally noted sheds embodied in the list appended to G.O. underreply have been omitted from the Revised List, as they are not now in existence. From the Revised List, it will be observed that 6 more Travellers Bungalows have been included in the list, as they appear in old Range Registers of Buildings belonging to Government. When on what conditions they were transferred to Local Fund Board, I have been unable to discover.

Tirazapatam District

I have omitted the undermentioned

3 Sheds from the Revised List now submitted.

- 1 Shed at Srungavarapukota.
- 2 Public Bungalow at Konada.
- 3 Shed at Kottavalasa.

As regards the Shed numbered (1), it is not now in existence nor are any records forthcoming to show when & how the building was demolished, or allowed to fall into ruin. With regard to building at Konada No. 2, the result of reference to the President of the District Board brings to light the fact that the Building in question transferred to Local F. Board in accordance with G.O. No. 1009 F.D. d/1-8-72, was sold to the Salt Department for Rs. 300 under orders of the Board of Revenue conveyed in G.O. No. ^{2181 L. mis.} ₂₅₋₉₋₈₉, a copy of which is herewith submitted for your information.

Regarding the 3rd Shed at Kottavalasa, the reports received show that it was in existence till about 2 years ago, but has ^{since} been allowed to tumble down.

Gadavari District

There are no omissions made as regards the list of buildings in this District. The necessary alterations have been duly noted.

I have the honor to be,

Sir,

Your most obedient

G. D. Johnson.
