Civil Works.

READ—the following papers:—

From the Executive Engineer, Cuddapah division, to the President, Local Fund District Board, Cuddapah, dated 14th November 1892, No. 608-M.

In forwarding herewith an extract from the list of vacant Government buildings transferred temporarily to Local Fund Board, I have the honour to bring to your notice that the marginally-noted buildings are reported to be not at present used by the Board as sanctioned by Government

1. Old taluk catechery at Kadiri.
2. Do. at Vayalpad.

but by the London and American Missionary Societies, and I request therefore you will be good enough to let me know whether they are still required by the Board; if not, they may be transferred to Public Works Department.

Copy of Board's reply thereto No. 2326, dated 25th March 1893, communicating Madanapalle Taluk Board's Proceedings, dated 20th February 1893, and their letter No. 350, dated 27th February 1893 (enclosure was attached in original).

The Mission have just offered to buy the building at Kadiri which has been sent to the Sub-Collector for his remarks intending then to forward it to him. If he has any objection to this, he will kindly inform the undersigned, and if he has no objection, he will kindly value it.

From the Executive Engineer, Cuddapah division, to the President, Local Fund District Board, Cuddapah, dated—.

With reference to your No. 2326, dated 25th March 1893, I have the honour to point out that under Public Works Code, Volume I, chapter XI 20 (copy attached), public buildings cannot be sold without sanction of Government. I am therefore forwarding your proceedings in original to Superintending Engineer, III Circle, for him to obtain orders of Government as to whether or not they may be sold, and, if so, at what price. The book value of each old taluk catechery is Rs. 2730.

2. I may point out that under G.O., No. 3677 W., dated 21st November 1888, the old taluk catechery at Vayalpad was lent for a definite purpose, viz., "for use as dispensary" and should not have been otherwise used without sanction of Government.

3. The purpose for which that at Kadiri was lent you is not stated in G.O. No. 766, dated 19th March 1881, but I do not know that you can lend it to a third party without sanction.

President, District Board's Proceedings *
in reply thereto, with enclosures in original, forwarded to Superintending Engineer, III Circle, for favour of obtaining the orders of Government. There does not seem any likelihood of the building in question being required and they might be sold.

2. In the appendix to G.O., No. 1621 W., dated 27th May 1892, Public Works Department bungalow at Kalakada is shown as "transferred unconditionally" to Local Fund Board under G.O., No. 875 W., dated 17th March 1890. Such being the case the building might as well be struck off the register of public buildings.

Superintending Engineer, III Circle.

From the Executive Engineer, Cuddapah division, to the Superintending Engineer, III Circle, Bellary, dated 19th April 1893, No. 11 S.E.

In continuation of my No. 10 S.E. of yesterday's date, I have the honour to suggest that the building referred to, viz., the old Tahsildar's entcherry at Kadiri, be sold to the London Mission as therein suggested and that that at Vayalpad be made over to the Local Fund Board unconditionally and struck off our books. They can then make it over to the American Mission for use as a school on what terms they please. I see from correspondence received from the Mission that the Local Fund Board have as a fact made it over as if it had been their own and not merely lent them for a hospital.

ORDER—dated 1st June 1893, No. 1465 W., Public Works.

It is observed that the old taluk entcherries at Kadiri and Vayalpad in the Cuddapah district were made * over to the Local Fund Board on the condition that they were to be retransferred to Government when required. The Board have apparently transferred the buildings to the London and American Missions respectively for use as schools without the sanction of Government.

Old Taluk Cutcherry at Kadiri

Directing that the — in the Cuddapah district be sold to the London Mission and that the Taluk Cutcherry at Vayalpad, also in the same district, be made over to the Taluk Board on certain conditions.

Extract from the Proceedings of the
Talug Board, Madanapalle, passed
at a meeting held on Monday the
20th February 1893.

Reference on current No. 2326

from the President District Board
requesting to report if the Talug
Board wish to have the old Talug
offices at Kadiri and Vayalpad.

The Talug Board has loaned
the old Talug offices at Kadiri
and Vayalpad to the London and
American Mission respectively for
carrying on the educational work at
those centres that would otherwise
fall upon the Board.

As this is classed as a backward
district and educational work
should be fostered in every way
possible, this Board deems it ad-
visable that the use of those old
Cutcheries be continued to those
missions for the purposes above
mentioned.

In reply to Ref. on Cur. No. ²³²⁶₂₈₋₁₁₋₉₂

Talug Board still requires the old
Talug offices at Vayalpad and
Kadiri, I have the honor to submit
herewith a copy of the resolution
dated 20th instant passed by the
Talug Board on the subject.

2. I beg to submit that the Talug

It was made over to the American
Mission as a school house gratis, on
condition that it is kept in repair

and given upon demand as per
instructions issued in your
disposal No. ^{L.F.}₁₇₈₃ of 91 dated 15-11-91.

3. The Talug Board is not likely to

required for a Dispensary, but
there

there is no immediate prospect of
