V.

There seems to be no reason why Krishniah should be an exception, which he will be, so long as he is on the temporary establishment. I therefore hope that you will have his appointment made permanent with retrospective effect as he well deserves the increased pay he would thus become entitled to.

A man with no prospect of advancement cannot be expected to work as well as otherwise.

Respected Sir,

I beg respectfully to
request you will be so kind as to
recommend my transfer to the 5th
Circle, in my present grade 50-60,
or the one below it 40-50 (allowing
me to draw the maximum Rs 50),
either in the Superintending Engineer's
office or in South Arcot Division,
on a vacancy occurring.

2. I originally belonged to that
Circle, having been employed in
South Arcot as Storekeeper and
subsequently, as Cashier Temporary
II class - 2nd Grade, from March 1888
to June 1888. From June 1888 to Novem-
ber 1890, I was attached to the
Periyar Project, as Cashier & subse-
quently Head Clerk, on Rs 84 in N.I.
Periyar Division; but on the climate
of Periyar proving injurious to my health
and of my family, I was taken into
this Circle office as 3rd Clerk on Rs 50-60,

by Colonel A. C. Smith. D. C. Since
coming here my wife has been
ailing from Sattima, which has not
still left her and she stops at Budda-
lore. Besides, my health and that of
my little ones has not been good,
so much so, that I am compelled
to seek for a change either to
Buddalore (my native place) or to
Madras, in both of which, with
the advantages of the sea, I could
hope for the better health of all of
us.

3. I beg to enclose copies of
my testimonials.

From

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE

Chief Engineer

P. W. Department

Sir,

Enclosures.

With reference to the enclosed Petition from the third clerk (IIIrd class 3rd grade) in the VIth Circle office, forwarded to me for favorable consideration by the Suply Engineer of that Circle, I have the honor to state that the fourth clerk (IVth class 1st grade) of this office is willing to proceed to the VIth Circle office. It will cause an extra cost of Rs 4 a month, if the VIth Circle clerk, who now draws Rs 54, draw (as he begs he may be allowed) the maximum pay Rs 50.

of the lower grade in this office, and
the Clerk who goes from this office
to the VIIth Circle office and who now draws
Rs 42, draw the minimum pay Rs 50 of
the higher grade in that office. The
latter is however willing to draw Rs
46 at present, which is less than the
minimum pay of that grade by Rs 4,
and to claim no increment of pay
for the next two years, and thereafter
rise by two annual increments to Rs 50,
the minimum pay of the grade.

2. I request that sanction may be
given, on these conditions to the clerk,
who comes to this office from the VIIth Circle
office drawing the maximum pay of Rs 50
of the lower grade.

I have the honor to be
Sir
your most obed^t Serv^t.
