READ—the following paper :—

From the Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, the 15th May 1893, No. 1268 G.

In reply to your letter No. 980 W., dated the 11th April 1893, I am directed to state that there is no objection to the date of the notification posting the students from the Madras Civil Engineering College being taken as the date for re-adjusting the scales for promotion of Executive and Assistant Engineers.

2. I am to add that as the 1st November is taken for adjusting scales on the lists under the Government of India and on the Bombay list for Royal Indian Engineering College students, it is advisable that the same date should be taken by the Government of Madras instead of the date of notification posting them as authorised in Public Works Department telegram of the 30th November 1887.

Communicated to the Examiner, Public Works Accounts, with reference to G.O., No. 979 W., dated 11th March 1893.
