GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From A. A. G. MALET, Esq., Officiating Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezwada, 22nd April 1893, No. 239 K.S.

I have the honour to bring to your notice that in G.O., No. 105 W., of the 17th January 1893, a salary of Rs. 65 was sanctioned for the present draftsman in the Gudiváda division which was recommended, as the former Executive Engineer reported that only one man was sufficient and that for reasons stated he should be given the full pay of Rs. 65 originally sanctioned for two draftsmen in G.O., No. 1362 W. of the 27th April 1892. As, however, an assistant draftsman on Rs. 35 is now applied for (*vide* copy of Executive Engineer's letter No. 2796 of the 20th January 1893, herewith), I have the honour to recommend that two draftsmen—

	RS.
One first class on	50
,, second ,, ...	35

be sanctioned, as there is work for two men for some time to come instead of one on Rs. 65 sanctioned in G.O., No. 105 W., of the 17th January 1893.

2. As the present draftsman has already been served with a month's notice, the Executive Engineer has been requested to inform the man that the salary of the post for this official year will be Rs. 50 and that sanction of Government will be obtained for his drawing his pay at Rs. 65 till the end of this month.

3. I request therefore that sanction of Government be obtained to the above two proposals.

From A. A. G. MALET, Esq., Officiating Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezwada, 13th May 1893, No. 392 K.S.

With reference to your memo. No. 1940 C., dated 3rd May 1893, I have the honour to inform you that the second draftsman will be required till the end of the current official year.

From the Superintending Engineer, II Circle, dated 20th May 1893, No. 466 K.S.

ORDER—dated 8th June 1893, No. 1532 W., Public Works.

In the circumstances stated, sanction is accorded to the entertainment in the Gudiváda division, from the 1st May 1893 to the 28th February 1894, of two draftsmen, one on Rs. 50 and the other on Rs. 35 per mensem, in lieu of the draftsman on Rs. 65 per mensem sanctioned in G.O., No. 1101 W., dated 21st April 1893.

2. This sanction has been registered as Provincial No. 25 W. of 1893-94 and classified as Establishment, Temporary.

I have the honor to inform you that the drawing and estimating work in this office is more than one Draftsman is able to manage and I have to request that you will be so good as to apply for sanction for an Assistant Draftsman on Rs 35 per mensem.

2. There were, formerly two Draftsmen sanctioned for this office on Rs 35 and Rs 30 per mensem, but as it was found impossible to get efficient men on so small a salary I applied in this office No. 2,626 of 9.1.92 for sanction to employ one first class Draftsman in lieu of the two sanctioned appointments. This was approved in No. $\frac{2466 KS}{14.1.92}$.

3. If the appointment of an Assistant Draftsman now applied for is approved there will be ample

Enclosure
One Proforma statement.

Sir,

In continuation of this Office No. 239 K.S. d/ 22.4.93, I have the honor to request that the scale of pay recommended for the draftsmen in that letter may be altered

From	To
1. Rs 50	1. Rs 65
1: Rs 35	1. Rs 35.

In my letter quoted above I proposed to revert to the original scale of Rs 50 as it appeared from the records that the Executive Engineer had applied for the increase of

pay

pay to Rs 65 on the understanding that he only required one draftsman. The sanction of Government to the increase seemed also to have been based on the same condition.

2. On further consideration however, I consider it would not be admissible to reduce the pay of the first class draftsman for the following reasons:-

(1) The appointment is a temporary one.

(2) The man now employed has learnt his work and would probably leave if his pay is reduced.

(3) It is difficult to get draftsmen whether trained or untrained

(4) The work in the Division has lately increased owing to extension of irrigation.

(5) The present incumbent is said to have refused the offer of a post on Rs 70. as his pay was raised to Rs 65.

3. A proposition statement is enclosed.
