No: 14 Chinglepet Division Office
6th April 1893.

From

H. J. Wilson Esquire
Executive Engineer
Chinglepet Division.

To,

The Superintending Engineer
5th Circle.

Sir,

1537/1

With reference to your No 776 cw dated 28th November 1892 I have the honor to forward herewith a supplemental statement as required by para 2 of G.O No 3115 W dated 14th Novbr 1892.

2. The Building originally consisted
1. 2 school masters quarters
2. 3 School houses amounting in value of Rs 1140 according to the Books of the Register of Public Buildings and the School portion of the Building having been demolished long ago there remains only the Quarters the actual value of it is estimated to be not more than Rs 887 and which amount is entered in Column 5 of the present statement. The entry in Column 7 was made with reference to information obtained from the Collector regarding the Cost of site. A sum of Rs 30 is also entered in Columns 13 as per code rule though the building was never repaired for many years.

3. According to the present Calculation the rent of the building under occupation amounts to Rs 6 per months against the rent of Rs 3 per months, more being paid by the present

present occupant. The present occupant who is a Government Pensioner Ist Class drawing a small pension of Rs 13-5-4 per month was allowed under orders as per margin to occupy the building on payment of Rs 3 p/m and while he has done for the last 8 years.

4. The building has not been repaired for many years and if vacated by the present occupant will probably be left vacant. He has petitioned me against an increase of rent an extract from which I enclose. Under these circumstances, therefore I would recommend that the present pensioner be permitted to continue to occupy the building on the same rent of Rs 3 per mensem.

I have &c

I.W. Copy being a Govt pensioner drawing less than Rs 25/- per mensem please favour me with your opinion whether the case may not be disposed of under Rule III (2) (1) Page 25 Chapter XL P.W. Code & was permitted to occupy the building in question, vide G.O. No 1451 W dt 9-6-85 and it is thought that a continuance of his tenancy on a rental of Rs 3/- per mensem might be sanctioned by the powers under the rule above quoted.
