13TH JUNE 1893, No. 1568 W., PUBLIC WORKS.

1568
T.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From the Executive Engineer, Kurnool division, to the Superintending Engineer,
III Circle, dated 9th March 1893, No. 701.

With reference to G.O., No. 3256 W. of 28th November 1892, communicated with your endorsement No. 2545 of 5th December 1892, I have the honour to submit herewith a revised statement giving data for calculation of rents for such of the buildings in this division as have been ordered to be included in the Capital and Revenue accounts of buildings except for the quarters of the Sunkesala Ancient Superintendent which is still under construction.

2. The points noticed by the Examiner in his office-notes embodied in the above Government Order have all been attended to.

3. The rent for the Sub-Divisional officer's quarter at Kistnapuram has been calculated for the whole building, but has not been apportioned between the portion to be used as office and that to be used as residence as the building is at present unoccupied as already reported.

4. The Sub-Engineer in charge of the lower sub-division moreover is not willing to occupy the building as his residence in preference to the private quarters available at Cuddapah where medical attendance is available. A copy of his letter on the subject is enclosed for perusal with a recommendation that his request may be granted; the cases cited by him are true and known to every one. At present the sub-division is in charge of a supervisor who cannot be compelled to occupy Government quarters.

5. It will be seen from the statement that the rent for the Executive Engineer's residence is only Rs. 39 against Rs. 50 charged per month hitherto. Permission is solicited to revise the rent at the correct rate now arrived at with effect from the date from which the present rules came into effect, i.e., September 1888, and to refund the over-recovery.

ENCLOSURES.

STATEMENT giving data for calculation of rents of buildings in Kurnool division.

13TH JUNE 1893, No. 1568 W., PUBLIC WORKS.																		
Item number.	Name of building.	Official designation and salary of occupant.	Whether permanent or temporary.	Date of completion or purchase.	CAPITAL COST.				ACTUAL AVERAGE COST OF REPAIRS.				Estimate cost of repairs when actual not known.	NORMAL RATE OF RENT, &c.		RENT TO BE CHARGED.		
					Cost of construction or purchase.	Rehabilitation and tools on amount in column 6.	Cost of site.	Total.	Four per cent. on capital cost (column 9).	Cost of repairs.	Ten per cent. for establishment and tools and plant.	Total.		Annual 10 + 13 or 10 + 14.	Monthly 15.	Rent paid prior to 7th September 1888.	Yearly.	Monthly.
1	Executive Engineer's quarters at Kurnool.		P.	Purchased in 1882-83 .. Improvements in 1883-84. .. Total for whole building.	Rs. 8,500 3,522 12,022	352 352	..	12,374	495	(b) 195	19	214	..	709	59	..	709	59
2	Canal Sub-divisional officer's quarters at Kishnapuram.	Portion occupied as residence; Executive Engineer, 2nd grade, salary Rs. 800.	P.	Purchased in 1882-83 .. Improvements in 1883-84. .. Total for the whole building.	Rs. 11,760 1,140 12,900	115 115	..	13,024	521	(d) 196	20	216	..	473	39½	50	488	(c) 39
3	Sub-divisional officer's quarters at Nandyal.	Portion occupied as residence: Superintendent, 2nd grade, salary Rs. 150 .. Sub-divisional allowance 30 .. 180 ..	P.	Purchased in 1890 .. Improvements in 1892-93. .. A. Total for the whole building.	Rs. 4,000 1,015 5,015	101 101	34	5,150	206	..	..	..	(e) 155	361	30½	..	360	30
					3,102	63	21	5,186	127	95	9	104	..	231	19½	..	228	19

(a) Cost of site is included in the purchase money.
 (b) Average of actual cost from 1882-83 to 1892-93.
 (c) The revised rate of Rs. 39 should have effect from 7th September 1885, the date on which revised rules came into force.
 (d) Average of actual cost from 1882-83.

From J. C. DENNEHY, Esq., Sub-Divisional Officer, Lower Sub-division, Cuddapah, to the Executive Engineer, Kurnool division, dated Rajoly, 24th November 1892, No. 1245.

In reply to your memo. No. 1755 S., dated 10th November 1892, and enclosures, I have the honour to report that the superficial areas of the upper and lower floors of the combined office and residence at Kistnapuram are as follows:—

Lower story, 3,267·5 square feet. } Details over-leaf.
 Upper „ 2,566·0 „ „ }

Area of ground 11·7 acres, valued Rs. 15 per acre, total Rs. 175-8-0. I don't think from para. 31, chapter XI, page 302 of the Government of India Code, it is compulsory for Sub-Engineer Upper Subordinates to occupy Government buildings. When they do, of course they may be charged rent under para. 28. I would be very glad if I could occupy these quarters. I tried it on two occasions since taking charge of this sub-division, but had to vacate it owing to its being unhealthy and in consequence uninhabitable by my family, whom I have had to remove to Bangalore in consequence and thus put to great expense. Barring the unhealthiness of the house but when sickness breaks out the house is so isolated and distant from the town that timely medical aid cannot be secured. Last year when Sergeant Donaghue's eye took cholera in the compound, the Executive Engineer of the division addressed the District Surgeon and asked him to send out medical aid (this was about noon). At about 8 p.m. instructions were received that the patient was to be sent to hospital. The man might have died only that I and Sergeant Donaghue quacked him with a little specific we had. Not long ago a gentleman, Mr. Sneyed, Deputy Commissioner, Salt and Abkari Revenue, occupied this bungalow and took cholera in it over night; seeing how he was at a disadvantage for want of medical aid, actually walked into town, but unfortunately medical opinion is that the exertion hastened his death. If, for the sake of rules, I am compelled to pay rent for this building which I cannot occupy with all the disadvantages, I claim protection under rule III, clause A to para. 28, chapter XI of the Government of India Code, and beg that compulsory occupation of this building by me be removed.

No. 3418.

Copy forwarded to the Chief Engineer, Public Works Department, with reference to G.O., No. 3256 W., dated 28th November 1892.

(Signed) A. T. FRASER, Colonel, R.E.,
 Superintending Engineer, III Circle.

22nd March 1893.

Office-note from the Examiner, Public Works Accounts, dated Madras, 22nd April 1893, No. 159 A.

[Your office-note No. 1455 C., dated 28th March 1893.]

The revised statement of Kurnool division and the Executive Engineer's letter received with your office-note No. 1455 C., dated 28th March 1893, are returned with the following remarks.

2. *Items 1 and 2.*—The average cost of repairs is less than 3 per cent. Under Government of India Code, chapter XI, para. 28 1 (d), the rents should be subject to revision if the average increases.

3. *Item 2.*—(a) The data for the portion to be occupied as residence has not been separately calculated because the Executive Engineer states that the building is at present unoccupied, but it seems desirable that the rent for the residential portion should be fixed so that there may be no difficulty or delay in charging the correct rent when the building is occupied.

(b) The Executive Engineer recommends, for reasons stated, that the building should be treated as one, the occupation of which is not compulsory. Government of India Code, chapter XI, para. 17 (4) governs this case, and under it the sanction of the Government of India appears necessary to the exemption. The rule quoted (chapter XI, para. 31) by Sub-divisional officer regarding non-compulsory occupation clearly applies only to supervisors and overseers—see also note 1 to Madras Code, para. 1042, which is based on G.O., No. 1879 W., dated 23rd June 1888.

4. Item 3.—(a) The cost of repairs in the case of that portion of the building not occupied as a residence (marked A) having been taken at a percentage rate, further percentages on account of establishment and tools and plant should not be charged, and by omitting these charges the rent will be reduced to Rs. 30.

(b) In the case of that portion of the building occupied as a residence (marked B), the amount in column 10 should be Rs. 127 and not Rs. 126.

5. For the Executive Engineer's quarters at Kurnool, the Executive Engineer, in para. 5 of his letter, asks for a refund of the difference between the rates of Rs. 50 (fixed by Government in 1883) and Rs. 39 (according to present calculation) from September 1888, the date when the revised rules came into force. This request is inadmissible with reference to Government of India letter No. 70-B of 21st February 1891 embodied in G.O., No. 648 W. of 6th March 1891. Under this order the Executive Engineer should pay the revised rate of rent only from the date on which he receives intimation of sanction thereto.

From Colonel A. T. FRASER, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 30th May 1893, No. 555.

In forwarding copies of correspondence in reply to Chief Engineer's No. 1972 C., dated 6th May 1893, I have the honour to state that for purposes of temporary occupation the Kistnapuram building on the Cuddapah canal bank seems quite healthy.

2. The distance is three miles from the town of Cuddapah and it stands by itself in a rather lonely situation, but is spacious, two storeyed, and well built.

3. Apparently it shares the permanent unhealthiness of Cuddapah residences.

ORDER—dated 13th June 1893, No. 1568 W., Public Works.

The statement submitted by the Superintending Engineer is approved with the following remarks:—

Items 1 and 2.—Attention is drawn to para. 2 of the Examiner's note.

Item 2.—The Sub-divisional officer's bungalow at Kistnapuram does not appear to be unsuitable as a residence and it should be occupied and maintained as such. The rent for the residential portion should be fixed as suggested by the Examiner.

Item 3.—The statement will be corrected as suggested by the Examiner.

2. With reference to para. 5 of the Examiner's note, the revised rate of rent for the Executive Engineer's residence will have effect from the date of receipt of this order in the Executive Engineer's office.

Rents

The statement showing data for calculation of — of certain buildings in the Kurnool division, approved with remarks.

Letter from the Executive Engineer
Kurnool Division No. 701 dated 9th March
1893 to the Suptg. Engineer, III Circle, Bellary.

8251/28-11-92
With reference to G. O. No. 3256 W of
28-11-92 communicated with your endorsement
No. 2545 of 5-12-92, I have the
honor to submit herewith a revised statement
giving data for calculation of rents for
such of the buildings in this Division
as have been ordered to be included
in the Capital and Revenue accounts
of buildings except for the quarters of the
Sankesala amant Superintendent which
is still under construction.

2. The points noticed by the
Examiner in his Office notes embodied
in the above G. O. have all been attended to.

3. The rent for the Sub D. Officer's
quarter at Kristnapuram has been calculated
for the whole building but has not
been apportioned between the portion to
be used as Office and that to be used as
residence as the building is at present
unoccupied as already reported.

4. The Sub Engineer in charge of
the

the Lower Sub Division moreover is not willing to occupy the building as his residence in preference to the private quarters available at Buddapah where medical attendance is available.

A copy of his letter on the subject is enclosed for perusal with a recommendation that his request may be granted, the cases cited by him are true and known to every one. At present the Sub Division is in charge of a Supervisor who cannot be compelled to occupy Govt. Quarters.

5. It will be seen from the statement that the rent for the Exec. Engineer's residence is only Rs 39 against Rs 50 charged per month hitherto. Permission is solicited to revise the rent at the correct rate now arrived at with effect from the date from which the present rules came into effect i.e. September 1888 and to refund the over recovery.

OFFICE NOTE No. 159A.

1568/8

To

W.

Your office note No. I455 C. dated 28th March 1893.

The revised statement of Kurnool Division and the Executive Engineer's letter received with your office note No. I455 C. dated 28th March 1893 is returned with the following remarks:-
 2. Items 1 and 2. The average cost of repairs is less than 3 per cent. Under Govt. of India Code chapter XI para 28 I(d), the rents should be subject to revision if the average increases.

3. Item 2.
 (a) The data for the portion to be occupied as residence has not been separately calculated because the Executive Engineer states that the building is at present unoccupied, but it seems desirable that the rent for the residential portion should be fixed so that there may be no difficulty or delay in charging the correct rent when the building is occupied.

(b) The Executive Engineer recommends, for reasons stated, that the building should be treated as one the occupation of which is not compulsory. Government of India Code, chapter XI, para 17 (4) governs this case, and under it the sanction of the Government of India appears necessary to the exemption. The rule quoted (chapter XI, para 31) by Sub divisional officer regarding noncompulsory occupation, clearly applies only to Supervisors and overseers - see also note I to Madras Code para 1042 which is based on G.O. No. 1879 W. dated 23rd. June 1888.

4. Item 3.

(a) The cost of repairs in the case of that portion of the building not occupied as a residence (marked A in red chalk) having been taken at a percentage rate, further percentages on account of establishment and tools and plant should not be charged and by omitting these charges the rent will be reduced to Rs. 30.

(b) In the case of that portion of the building occupied as a residence (marked B) the amount in column 10 should be Rs. 127 and not Rs. 126.

5. For the Executive Engineer's quarters at Kurnool, the Executive Engineer in para 5 of his letter, asks for a refund of the difference between the rates of Rs. 50 (fixed by Government in 1883) and Rs. 39 (according to present

calculation) from September 1888 - the date when the revised rules came into force. This request is inadmissible with reference to Government of India letter No. 70 B. of 21st. February 1891, embodied in G.O. No. 648 W. of 8th. March 1891. Under this order, the Executive Engineer should pay the revised rate of rent only from the date on which he receives intimation of sanction thereto.

2/11/93

Letter from the Executive Engineer
 Kurnool Division No. 75 S.E. dated 27th
 May 1893 to the Deputy Engineer, III Circle,
 Bellary.

1878
 10

In reply to your endorsement No.
 319 dated 8-5-93 on Memo No. 1972 C
 dated 6-5-93 from L.C. P.W.D., I
 have the honor to enclose copy of letter
 from Mr. Sub Engineer Denny -
 regarding Krishnapuram Bangalore.
 2.

Mr. Denny speaks from
 experience of the place. He tried twice
 to keep his wife and family at Krishna-
 puram but had to send them away
 on account of illness. Buddapak he
 found no better. In my opinion it is
 much worse than Krishnapuram, but
 as medical attendance was available
 close at hand, Mr. Denny found it
 more convenient.

3. Krishnapuram lies without
 Municipal limits and is 3 miles from
 Buddapak, and it is difficult to obtain
 medical attendance.

On one occasion when a lascar
 was

was lying ill of cholera in the compound,
I asked the Surgeon to send out a
dresser with medicines. Medicines
were sent, but I was informed that
either no dresser could be spared or
that it was against the Rules. I forgot
which. No dresser went.

4. On the score of health Mr.
Denny is obliged to keep his wife
and family elsewhere than at Cuddapah
(Krishnapuram) and has thus to main-
tain two establishments, I think he
should not be called upon to pay rent
for quarters at Krishnapuram.

Attraser Col. R. C.
Suptg. Engineer, III Circle.

Letter from Mr. J. B. Denny, Lower
Sub Division to the Exec. Engineer, Kurnool
Division N^o 119 dated 17th May 1893.

With reference to your endorsement
N^o 2518 on N^o 1972 C Government
of ²⁵⁻⁵⁻⁹³ Madras Public Works Department,
bearing S. E.'s endorsement N^o 319 dated
8-5-93 herewith returned, I have the
honor to report that the Krishnapuram
Bungalow was occupied by my family
for 3 months during 1890 and for 3 or 4
months in 1891 and during both occasions
my wife and children suffered from
fever of a malarious nature, in 1892.
I tried them by keeping them in Cuddapah
for two months but was obliged to remove
them even then to Bangalore. My long
residence of 17 years in the Ceded Districts
out of a service bordering on to 21 years
has pretty well shattered the constitution
of my wife and children to say nothing
of my own. I thus find it very hard
indeed having to maintain two establish-
ments by being separated as I am,
if I could possibly have kept my
family

1588
11

family at Krishnapuram, I certainly
would not have avoided it, to make
matters worse, the place is so isolated
and lovely and 3 miles away from
the Municipal Dispensary of Buddapah
from whence medical aid cannot be
had as may be demanded except
by going into Buddapah. The
Bungalow may serve a bachelor
but not a man with a family.

Madras.

Sir,

In forwarding copies of
correspondence in reply to Chief Engineer's
No. 1972C dated 6th May 1893, I have the
honor to state that for purposes of tempo-
rary occupation the Krishnapuram
Building on the Buddapah Canal bank
seems quite healthy.

2. The distance is 3 miles from
the town of Buddapah, and it stands
by itself in a rather lonely situation,
but is spacious, two storied, and well
built.

3. Apparently it shares the perma-
nent unhealthiness of Buddapah residences.

I have the honor to be
Sir
Your most obedient servant

105.23

There is nothing in this
Circumstances to show that
the building is unhealthy.
It is absurd to say
that a building is unhealthy
because a man has been
attracted with cholera in it.
Further ^{up} regarding this
alleged unhealthiness sh^d.
be called for, not sh^d.

The Statement submitted
by the Superintending Engineer
is approved, with the following
remarks:-

(1) Items 1 and 2. Attention is drawn to para 2 of the Examiner's note.

(2) Item 2 - As the Subdivi-
sional officer's bungalow
at Krishnapuram appears
to be unsuitable for a resi-
dence on account of its un-
healthiness the Superintending
Engineer will report whether
it can be put to any other
public use, so that it may

Examiner.

2 With reference to
para 5 of the Examiner's
note, the revised rate
of rent for the Executive
Engineer's residence
will have effect
from the date of
receipt of this order
in the Executive Engineer's
office.
