Letter No. 18 dated 29th May 1892
 from the Executive Engineer Kurnool
 Division to the Superintending Engg.
 III Circle Bellary - 15⁰⁰

I have the honor to bring to your
 notice that during the last famine a
 length of 38 miles of the Local Fund
 Roads was placed under the Super-
 vision of this Department in May 1892.

2. The marginally noted sums were
 expended on the roads up to 15-9-92, on
 which date the famine relief works
 were closed and the roads handed
 back to the Local Fund Board.

3. When the works were made over to
 this Department there were no estimates
 properly sanctioned for the works but
 work was carried out on rough estimates
 provided by the Local Fund Engineer
 or his subordinates.

4. As the roads were handed back
 it has not been considered necessary
 to take any steps in this Department
 towards getting properly sanctioned
 estimates to regularize the outlay.

5. I therefore make this application
 in conformity with the orders contained
 in G.O. No. 4104 of 16-2-92 to request
 that orders of Government may be
 obtained.

1. Curichem Kachagundam Road Rs: 36440-4-3	
2. Vanalakota Road	10074-4-2
3. Markapur Road	7541-4-11
4. Dupand Road	577-8-4
5. Mundla Road	2600-4-2
Total Rs	57232-9-2

obtained authorizing the Engineer
P. W. Accounts to pass the outlay
without estimates.

2. It is observed,
however, that there
was ample time
^{here} to obtain the sanction
of Govt. to regular
estimates, the roads
having been under
the supervision of the
Department for
about 4 months.
