GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 2nd June 1893, No. 1919 C.

With reference to G.O., No. 303 W., dated 6th February 1893, I beg to state that the cost of the Sub-Divisional officer's bungalow at Mannārgudi has since been reported by the Superintending Engineer and Executive Engineer to be only Rs. 5,015 and not Rs. 6,417 as shown in my office-note No. 21 A., dated 1st February 1893. The latter figure includes cost of the Sub-Divisional officer's office also and the correction is due to the cost of construction of both buildings being included in one estimate sanctioned in G.O., No. 2894 W., dated 3rd November 1890, and expenditure booked accordingly as if they were one building.

2. In the above circumstances I request that Government may be moved to have the corrections indicated below carried out in the statement sanctioned in G.O., No. 303 W., dated 6th February 1893:—

Item No. 3, Sub-Divisional officer's Bungalow at Mannārgudi—

Column	6	for Rs. 6,417	read Rs. 5,015.

List No. 1.

Corrections to Army Regulations, India, Volume XII (Barracks).

G. O. 15.
1900.

Para. 257 is reconstructed as follows:—

257. Inexpensive temporary shelters for the guards mounted on the residences of lieutenant generals of commands and general officers commanding districts may be provided and maintained by the military works services.

G. O. 15.
1900.

Para. 284.—For the last three lines substitute the following:—

Assistant surgeons, 1st and 2nd classes	30
„ „ 3rd and 4th „	20

G. O. 15.
1900.

Para. 383 is reconstructed as follows:—

383. An annual verification by actual counting of each article of furniture in the possession of corps will take place on 30th September or as soon after as convenient. This verification will be carried out by the officers who make the quarterly inspections, and is required to ensure that at least once a year the whole of the furniture as existing in the lines is counted up and compared with the ledger which is checked quarterly under para. 378. Any deficiencies or damages which may be discovered should be at once made good by the military works officer, and the cost adjusted according to the nature of the deficiency or damage, and the ledger totals corrected accordingly. For the purposes of this para. the furniture ledger will be closed and balanced up to and for 30th September.

A statement (in B F. form 12) will, at the same time, be prepared by the military works officer, and signed by the commanding officer of the corps.

G. O. 15.
1900.

Para. 395 is reconstructed as follows:—

395. An annual return is to be kept up and sent in to the garrison engineer as soon as possible after the 30th September of each year, by the sub-divisional officer, accompanied by a distribution statement supported by vouchers from commanding officers and heads of departments, of the furniture in their possession at the close of the official year to which the return refers. A certificate is to be attached to the distribution return by the officer deputed to count the furniture, stating that the furniture shown in the distribution return as being in store was actually counted and found to exist. After examination by the garrison engineer, the return with accompaniments is then to be submitted

through the commanding royal engineer of the district to the examiner for examination and return.

The audited return for the previous year will accompany the return sent to the examiner for audit, and both copies will be returned to the garrison engineer after examination.

G. O. 15.
1900.

Add the following as para. 413-B :—

413-B. Furniture on the scale in appendix A is authorised for the use of the british troops located, during the winter months, in the standing camps at Umballa, Meerut and Bareilly.

In addition to the above scale, the following articles of furniture may also be supplied, when available from stock, for use at these camps—

Boxes, kit	{	1 per man.
		1 per woman.
Chairs, barrack, for married quarters	.	2 per married quarter.
Forms, without backs, for sergeants	.	2 per 8 sergeants.
Tables, 5' x 2'-10", for married quarters	.	1 per married quarter.
		1 per 8 men.
Tables, iron trestle, 5' x 24'	.	1 per quarter-guard.
		1 per rear-guard.
		1 per 8 sergeants.

G. O. 15.
1900.

Para. 467 is reconstructed as follows :—

467. Fixed basins according to requirements will be provided for the use of british soldiers on duty with quarter-guards, and for the use of prisoners undergoing detention in regimental and garrison cells, and in military prisons. Steel basins will be supplied for the purpose by the commissariat department, and be fixed in position by the military works services.

G. O. 15.
1900.

Para. 470.—Dele the words "assistant surgeons, 3rd class, and" opposite the first bracket.

G. O. 15.
1900.

Para. 491.—The parenthetical sentence in lines 11 to 14 to be reconstructed as follows :—

"(Including military pupils and soldier students of the Thomason College at Roorkee)."

G. O. 15.
1900.

Para. 491.—Add the following :—

In exceptional circumstances, the lieutenant-general of the command may, on the recommendation of the medical authorities, sanction the issue of one extra blanket per man beyond those authorised in the foregoing clauses of this para., provided the supply can be made from stock without the necessity of making purchases.

G. O. 15.
1900.

Para. 516, page 117.—“Charcoal, etc., Madras Command”.

Dele “Rangoon” and “Thayetmyo” from the second column, and insert the following additional entry :—

Rangoon. Thayetmyo.	Charcoal and drying baskets and earthen glazed fire-pans are allowed between the 1st May and 31st October, at the rate of 1 bushel (25 lb) of charcoal per man per mensem, with drying baskets and fire-pans* at 10 per cent. on strength annually, to be issued only at such times between the above dates as the regimental and medical authorities certify to be necessary.	Barraacks.	Any charcoal remaining on hand at the close of the month is to be credited when making the next requisition. Fire-pans, which are serviceable at the end of the rainy season, are to be returned into store for issue in the following year.
------------------------	--	------------	--

* Renewals at 15 per cent. per mensem on the number in use.

G. O. 15.
1900.

Para. 517.—For the concluding word “Rangoon” substitute “Cannanore.”

G. O. 15.
1900.

The following paras. to be substituted for existing paras. 528 and 529 :—

528. When fires are considered absolutely necessary on sanitary grounds at stations in the Bengal and Punjab commands not enumerated in the foregoing paras., the officer commanding the station may issue the necessary orders under the procedure laid down in paras. 335—341.

529. Charcoal and iron pans for warming purposes, and charcoal, iron pans (at Rangoon and Thayetmyo, earthen glazed fire-pans), and light bamboo frames for drying clothes, are supplied to certain stations in the Madras and Bombay commands, on the scales mentioned in para. 516. The issues will be authorised in a station order, and on the recommendation of the senior medical officer; a copy of the order, and of the medical officer's recommendation, will be attached to the indent on the commissariat department. In the Madras command, in order to meet the requirements of station hospitals, each corps will deduct in their indent 8 per cent. on their total strength as it stands when the first indent for the season is sent in, and this strength will be taken

as the guide throughout the season. Medical officers in charge of station hospitals will then indent separately for the quantity thus short drawn by corps on the scale laid down in para. 516.

529-A. In the Bengal and Punjab commands, when charcoal fires are required for drying men's clothing for bedding in barracks, the officer commanding the station may issue the necessary orders for the supply of charcoal, iron pans, and light bamboo frames, under the procedure laid down in paras. 335-341. The supply should be restricted to married and single warrant officers and non-commissioned officers and men of corps, and to men on guard. The supply may also be specially authorised for the purpose of drying clothing or bedding in the quartermaster's stores which may have become wet in transit.

G. O. 15.
1900.

Para. 569.—For the second sentence "A similar * * * for the guard-room and bell of arms" in lines 5 to 9, substitute "A similar allowance is admissible to all detached companies of sappers and miners".

G. O. 15.
1900.

Para. 791 is reconstructed as follows:—

791. Punkha-pullers according to actual requirements are authorised for the quarters occupied by the ladies of the Indian Army Nursing Service.

G. O. 15.
1900.

Insert the following new para. after para. 823:—

823-A. The commissariat department is authorised to supply carts as follows for the conveyance of drinking water from the Dilwara well at Nasirabad to the lines of the British troops quartered at that station:—

	Carts.
