No. 463 Ks

Superintending Engineer's Office,

No. 1
II CIRCLE,

Dated 20th May 1893.

From,

A. A. G. Mallet Esquire,

Offg: Superintending Engineer,

II Circle.

To,

The Chief Engineer
For Irrigation
Madras.

Sir,

With reference to para 1 of G. O. No. 1101 Wd, 21.4.1893, I have the honor to express my regret that fresh sanction to the employment of the Temporary Draftsman at Rs 40 in the Krishna Western Division was not obtained in time. The work in the drawing branch of the Krishna Western Division is very heavy at present, a number of estimates for Civil buildings have to be prepared.

2. The Project works have to be redesigned and estimated for as they are taken up & extra work will now have to be put in hand owing to the proposed extension of Irrigation.

3. In the present state of the work in the Delta, the ordinary establishment of two draftsmen cannot cope with it.

4. I would therefore request that sanction may be accorded to the entertainment of a temporary draftsman on Rs 40 in the District Western Division. I consider that his services will probably be required for a few years.

5. Pending a reply to this letter I have not dispensed with the services of the man now entertained under the previous sanction.

I have the honor to be,
Sir

Your most obedient servant,
A. Chervin
