PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

from the Inspector General of Jails, dated 7th June, 1893,
No 2725:—

The Superintendent of the Criminal
Leper Ward, Madras, reports that the roof of the Ward
is in a dangerous condition. Several rafters are stated
to have already fallen in, and others are near falling.
The Consulting Architect was requested to prepare an
estimate for the necessary repairs, but he has stated in
reply that he is unable to do so without the previous
sanction of Government, under G.O. 7th October 1892,
No 2806 N. I have, therefore, the honor to request that
very early orders may be issued authorizing the Consulting
Architect to prepare the necessary estimate for the repair
of the roof of the Criminal Leper Ward. Meantime the
Superintendent reports that he will make arrangements to
have the convicts locked up in a separate ward of the Hospital.

Order, dated 13th June 1893, No 1192.

Communicated to the Public Works
Department for the necessary action.
