From, A. A. L. Malt Egoine, Executive
Engineer, Krishna Western Division, to
the Superintending Engineer, 2nd Circle,
dated 26-12-1892, No. 721 S.

I have the honor to
inform you that I have handed
over charge of the Krishna Western Division
to Mr. S. G. opala Krishna Iyer, Executive
Engineer, on the afternoon of the 23rd
December at Peddalahangam, ~~proceeding~~
to awaiting myself of the Christmas
Holidays and the Privilege leave
granted to me in extension of the
same. I have arranged to have
no cash balance in my charge on
the date of handing over charge.
I request your permission and
sanction to this procedure, and
also that you will permit me to
resume charge at Peddalahangam
on my return from leave.

The foreseen circumstances have
prevented my inspecting the lower
part of the Commanur Canal
since about May last. It is essential
that I should inspect, so I took
this opportunity as the most convenient

for doing so. It would have caused
both waste of time and money
if I had returned to head quarters
to make over charge and there was
no necessity for doing so.

No 2453 KJ
14.1.93.

Submitted to the Chief
Engineer, Public Works Department
for favor of obtaining the sanction
of Government to Mr. A. S. G. Mallet
going and taking over charge of
the Division at a station other than
the Head Quarters under Article
64 of the Civil Service Regulations.

proceeding on ~~and~~ ~~authorising~~

granted to him. The

His giving over charge may be
sanctioned, but I don't see adequate
reason for his taking over at Pedda
Ganjam. The up main convenience
is apparently of no account.
