Read the following:—

Letter from the Govt. of India, 1835. M. A. 13th June 1873

FOR ORDERS.

The Government of India say that the provision of Rs 1793 made in the budget estimate for medical officer's quarters "should be struck out."

These orders do not seem clear. They may mean either
(1) That the allotment for the work is cancelled but that the funds remain at the disposal of the Government of Madras for appropriate appropriation to other objects, or
(2) That the money must be replaced at

of the construction of the proposed quarters! The provision of Rupees 1,793 made in the Budget Estimate of Military Works under the administration of the Government of Madras for 1873-74 should be struck out accordingly.

I am,

Sir,

Yours most Obedient Servant,

Mundall
