DOWLAISHWERAM, 16th June 1923.

SIR,

I have the honor to bring to your notice that a ^{called chikampalem lanka} Godavari river lanka in the Godavari Western Division, which has been reserved for river conservancy purposes, was as usual, sold in public auction, in last official year to one K. V. Bramhaya by the Assistant Engineer in charge of the Eastern Sub Division for Rs 304, & a deposit of Rs 400 was taken from him, for the strict observance of the conditions on which the lanka was sold.

2. The Executive Engineer of the Division cancelled the sale for certain reasons, & the lanka was resold to another man.

3. K. V. Bramhaya, to whom the refund of Rs 704 was offered after the cancellation of the 1st sale, refused to receive payment, & threatened that he would bring

a suit for damages which he said he sustained in consequence of the first sale having been cancelled, but at last agreed to receive the payment of the money (Rs 704), paid by him.

4. On the 27th of May 1893, one K. Venkayya whom the present Ex. Engineer Mr. R. A. Srinivasa Aiyangar knew well, & who was present at the first sale came to him (Srinivasa Aiyangar) & said that K. V. Bramhaya came to receive payment & the Ex. Engineer ordered the payment of the money (Rs 704) which was paid in Cash, which was available at the time in the Ex. Engineer's Office.

5. The Executive Engineer reports that it has since been found that the man who received the money was not K. V. Bramhaya, but K. Subhaya, who personated K. V. Bramhaya, & who forged his signature.

6. K. Subhaya & K. Venkayya are now being prosecuted (the latter for abetment) before the Tanuku Magistrate, under orders of the Executive Engineer.

7. I therefore request that you will be good enough to obtain, under para 412 of the Madras P. W. Code the sanction of Government to the prosecution.

8. The prosecution was undertaken before obtaining Government sanction.

as it was considered that any delay will be taken advantage of by the parties in tampering with the evidence. 2/17/93
