FOR ORDERS.

With reference to the attached note the undersigned has since received a letter from Mr Hancock saying that he will require 3 months leave on Mr Hayes' return.

It is necessary therefore to send an officer at once to take charge of the Yellamauchilli Subdivision. There would appear to be a great deal of work in the subdivision and an experienced man would therefore be required. After careful consideration of the requirements

on 15th July '93, report to the Yellamauchilli Subdivision from which he was transferred.

As regards Mr Morin, referred to in Current N^o 5136, he might be posted to the Gyantse Subdivision or any other to which the Superintending Engineer Dingle may desire to send him, and which is now held by a subordinate.

requirements of the
Department, the only
officer who can ap-
parently be spared is
Mr Lacey, Assistant
Engineer, now in the
North Arcot Division.
He held charge of the
North Arcot Division temporarily
on two recent occasions
without the services of
an additional officer
being sent for his
relief. It is thus evident
that he can be spared
without much in-
convenience. His transfer
to the I Circle for the
charge of the Yellamanchelli
Subdivision is therefore
recommended.

Mr Morin has in
the last Gazette been
posted by the Supts.
Engineer II Circle to the
charge of the Head Quarter
Subdivision of the Krishna East
District. Vice Mr Periera on 3 months
privilege leave.
