From the Assistant Director-General of Stores, India Office, to the Secretary to the Government of Madras, Public Works Department, dated Whitehall, S.W., 9th June 1893, No. S. 5648.

With reference to the winding rope supplied with the titan crane demanded for the Madras Harbour Works in the indent transmitted with your letter No. 986 W., dated 27th March 1890, I have the honour to forward an extract from a report by the Consulting Engineer, dated 18th May 1893, from which it will be seen that a duplicate rope has been supplied by the contractors free of charge.

The rope in question will be shipped in the S.S. *Urania*, sailing on or about the 10th June 1893.

ENCLOSURE.

EXTRACT from a report by the Consulting Engineer, dated 18th May 1893.

[*Madras Harbour Works.*]

Understanding that the winding rope supplied with the titan crane for the above had shown signs of probably early failure and the rope having been supplied under a guarantee from the makers, Messrs. F. & W. Smith, of Newcastle, I deemed it advisable to call upon that firm to replace the rope which they agreed to do and the new rope is now ready for shipment. It is of course supplied free of charge.

ORDER—dated 3rd July 1893, No. 1736 W., Public Works.

Communicated to the Chairman, Harbour Trust Board, with reference to G.O., No. 985 W., dated 27th March 1890.
