READ—the following paper:—

From Major A. W. SMART, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Barur, 21st June 1893, No. 249 E.W.

With reference to para. 2 of G.O., No. 1179 W., dated 28th April 1893, I have the honour to submit, for sanction of Government, a supplemental estimate, amounting to Rs. 900, for barbed wire fencing for enclosing the compound of the proposed new taluk cutcherry at Kollegal.

ORDER—dated 7th July 1893, No. 1763 W., Public Works.

The estimate of Rs. 900 for enclosing, with a barbed wire fence, the compound of the new taluk office at Kollegal in the Coimbatore district, is sanctioned as supplemental to the estimate of Rs. 33,140 sanctioned in G.O., No. 1179 W., dated 28th April 1893.

2. This sanction has been registered as Provincial No. 49 W. of 1893-94 and classified as Civil Buildings, Original Works.

G.O., dated 14th March 1893, Mis. No. 1039, Revenue.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 18th January 1893, Mis. No. 297:—

Read—the following letter from the Superintending Engineer, IV Circle, to the Collector of Coimbatore, dated 16th December 1892, No. 433 M.:—

With reference to your letter, Mis. No. 1652, dated 10th October 1892, to the address of the Executive Engineer, Coimbatore division, I have the honour to forward, for transmission to Government, for sanction and provision of funds an estimate, amounting to Rs. 37,650, for constructing a first-class taluk cutcherry at Kollegal.

2. Provision has been made in the estimate for a cook-room, latrine, compound wall with a wooden gate, and sinking a well in the compound.

Endorsement by the Collector, dated 21st December 1892, Ref. on Mis. No. 2066.

Submitted.

2. In my letter recorded with G.O., dated 1st August 1891, No. 2076 W., I recommended the construction of a combined office for the Deputy Collector and Tahsildar; but as I find it will be much more expensive than I anticipated, I think it will be sufficient to build a new taluk cutcherry. The existing Munsif's Court with a few additions will suffice for the Deputy Collector.

Resolution—dated 18th January 1893, Mis. No. 297.

The plan and estimate for Rs. 37,650 for constructing a first-class taluk cutcherry with out-houses at Kollegal are submitted for the sanction of Government and for the provision of funds in the Public Works budget with reference to G.O., dated 26th August 1891, No. 828 R.

2. In view of the remarks now made by the Collector with which the Board concurs, the construction of a combined office for the Deputy Collector and Tahsildar at Kollegal, approved in G.O., dated 10th July 1891, No. 3938, Revenue, becomes unnecessary.

Order—dated 14th March 1893, Mis. No. 1039, Revenue.

The Government considers that a barbed wire fence should be substituted for the proposed compound wall. Subject to this alteration the plan and estimates are approved and will be transferred to the Public Works Department for the necessary action.

(Signed) E. GIBSON,
Ag. Secretary to Government.

ORDER—dated 28th April 1893, No. 1179 W., Public Works.

The estimate, amounting to Rs. 37,650, for constructing a first-class taluk office at Kollegal in the Coimbatore district, is reduced to Rs. 33,140 by omitting the provision for a compound wall. The estimate as thus reduced is sanctioned for execution when funds are available.

2. The Superintending Engineer, IV Circle, will submit a supplemental estimate for a barbed wire fence.

3. This sanction has been registered as Provincial No. 11 W. of 1893-94 and classified as Civil Buildings, Original Works.
