PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Director of Public Instruction, Madras
dated 20th December 1883, No. 8572.

In government order dated 18th October 1881, No. 539,
Educational, a sum of Rs 810 was sanctioned towards the
enlargement of the Namakkal School-house, which work
under the orders then prevailing had to be executed depone-
mentally. The Contractor who undertook the work not having
completed it satisfactorily, the Inspector recommended payment
of a moiety of the sanctioned amount. Accordingly Rs 405 were
paid on the understanding that the balance would be paid
after obtaining professional opinion on the work. The
Superintending Engineer to whom the matter was referred
for opinion, pointed out certain defects in the work. It was
then decided that no further payment should be made to
the Contractor until the defects were rectified by him. Shortly
after, the contractor who was implicated in the Salem riots
absconded and nothing further was done to the building,
which is reported to be in such a dangerous condition as
to have necessitated a warning from the local Police
authorities. I requested the Superintending Engineer, 14th
circle,

be to arrange for the necessary repairs at once and to furnish me with an estimate for the work.

I have now the honor to submit for the sanction of Government a plan and estimate and to request that the Accountant General may be instructed to admit the charge of Rs 405 paid to the contractor in June 1882, as no completion certificate can be furnished for the work.

The charge amounting to Rs 753, which includes the cost of Supervision and tools and plant, viz. Rs 148, may be met from savings in the provision for "Government Schools" in the current year's Budget Estimate.

Order, 15th January 1884, No. 18 (this)

The Accountant General is authorized to admit the charge of Rs 405, in the circumstances explained.

The present estimate of Rs 753 (seven hundred and fifty three) is sanctioned.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras, dated 9th June 1893, No. 6348.

I have the honor to request that you will be good enough to obtain the sanction of Government for the preparation and submission of the necessary plan and estimate for raising the walls of the Government Girls' Schoolhouse at Namakkal, Salem District, for putting on a complete tiled roof, and for the erection of an additional room. The Schoolhouse is reported to be insufficient even for the present numbers, and these improvements are indispensable. The estimate will exceed Rs 500. The building belongs to Government.

Order, 27th June 1893, No. 435.

Steps will be taken in the Public Works Department for the preparation of the necessary plan and estimates. The building, it is presumed, is the same as that referred to in G.O. d/15th January 1884, No. 18.
