20TH JULY 1893, No. 1871 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 30th June 1893, No. 2023 M.W.

I am directed to acknowledge the receipt of your letter No. 941 W., dated 11th April 1893, submitting the final issue of the budget estimate of military works in the Madras Presidency for 1893–94.

2. With reference thereto I am to state that the provision of Rs. 1,793 in the budget for item 1 in class B, Quarters for a Medical officer, Calicut, should be struck out in accordance with the orders in Military Department No. 1835 M.W., dated 13th June 1893.

3. As regards items 4 and 5 in class A, I am to state that the provision of Rs. 3,704, with the corresponding sum for departmental percentages for those commissariat works, should not have been made from the ordinary grant for military works at the disposal of the Madras Government but from the grant at the disposal of the Commissary-General-in-Chief for commissariat works throughout India, and that that officer should have placed the sum required at the disposal of the Government of Madras as laid down in Military Department letter No. 2672 M.W., dated 14th September 1892, to be included with the ordinary budget estimate for military works. Under the circumstances, however, the provision made may be allowed to stand.

4. I am to add that the Government contribution of Rs. 20,000 towards the cost of the Trichinopoly water-supply works should be treated as provision for a class A, and not a class B, work.

5. I am to point out that item 1 of appendix B of the budget describes a work not chargeable to Military Works funds without the sanction of the Government of India. I am accordingly to ask that it may be struck out.

6. I am to request that, under the orders of His Excellency the Governor in Council, the final issue of the budget estimate may be amended in accordance with the foregoing instructions and a corrected copy forwarded to the Government of India at an early date.

ORDER—dated 20th July 1893, No. 1871 W., Public Works.

Communicated to the officers concerned.

2. A copy of the budget estimate corrected in accordance with the instructions of the Government of India will be submitted to that Government.

LETTER—from

J. HANNAN, Esq.,
Ag. Joint Secretary to the Government of Madras,
Public Works Department,
General, Buildings and Roads Branch,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
MILITARY DEPARTMENT.

SIR,

I am directed to acknowledge the receipt of your letter No. 2023 M.W., dated 30th June 1893, and with reference to paragraph 2 thereof to state that the grant of Rs. 1,793 for the quarters of a Medical officer at Calicut withdrawn in accordance with the orders conveyed in your letter No. 1835 M.W., dated 13th June 1893, has been held in reserve with this Government.

2. The procedure laid down in your letter No. 2672 M.W., dated 14th September 1892, was not followed in the current official year, the letter in question not having been communicated to the officers concerned till the 10th October 1892, *i.e.*, till after the submission of the schedule of requirements for 1893–94. No provision having been made by the Commissary-General-in-Chief for the works pertaining to his department at stations in charge of the Public Works Department of this Presidency, the allotments referred to in paragraph 3 of your letter were provided from the ordinary military works grants, the items in question being incomplete works of last year which could not be postponed without loss to the State.

3. The provision of Rs. 20,000 for the Trichinopoly water-supply scheme has been transferred from class B to class A works as directed in paragraph 4 of your letter.

4. In my letter No. 3476 W., dated 20th December 1892, the sanction of the Government of India was applied for to the construction, from Military Works funds, of an armoury, a magazine and an office room, and quarters for the Sergeant-Instructor of the South Indian Railway Volunteers at Nellore, and, pending receipt of this sanction, the work was included in the appendix B to the budget estimate. It has, however, been eliminated from the budget as directed in paragraph 5 of your letter.

5. A copy of the final issue of the budget estimate corrected in accordance with your instructions is submitted herewith.

I have the honour to be,
Sir,
Your most obedient servant,

(Signed) J. HANNAN,
Ag. Joint Secy. to Govt., P.W.D.,

GOVERNMENT OF INDIA.

MILITARY DEPARTMENT.

Simla, the 30th June 1893.

1891-22/1

To

THE SECRETARY TO THE GOVERNMENT OF MADRAS,

Public Works Department.

SIR,

I am directed to acknowledge the receipt of your letter No. 941-W., dated 11th April 1893, submitting the Final Issue of the budget estimate of Military Works in the Madras Presidency for 1893-94.

2. With reference thereto, I am to state that the provison of Rs. 1,795 in the budget for Item 1 in class B—Quarters for a Medical Officer, Calicut—should be struck out in accordance with the orders in Military Department No. 1835-M-W., dated 13th June 1893.

3. As regards Items 4 and 5 in class A, I am to state that the provision of Rs. 3,704, with the corresponding sum for departmental precentages for these Commissariat works, should not have been made from the ordinary grant for military works at the disposal of the Madras Government, but from the grant at the disposal of the Commissary-General-in-Chief for Commissariat works throughout India, and that that officer should have placed the sum required at the disposal of the Government of Madras as laid down in Military Department letter No. 2672-M-W., dated 14th September 1892, to be included with the ordinary budget estimate for military works. Under the circumstances, however, the provision made may be allowed to stand.

4. I am to add that the Government contribution of Rs. 20,000 towards the cost of the Trichinopoly water-supply works should be treated as provision for a class A, and not a class B work.

5. I am to point out that Item 1 of Appendix B of the budget describes a work not chargeable to Military Works funds without the sanction of the Government of India. I am accordingly to ask that it may be struck out.

6. I am to request that, under the orders of His Excellency the Governor in Council, the Final Issue of the budget estimate may be amended in accordance with the foregoing instructions, and a corrected copy forwarded to the Government of India at an early date.

I am,

SIR,

Your most obedient servant,

Captain R.E.

for Secretary to the Government of India.
