GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From D. DUNCAN, Esq., M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 31st May 1893, No. 5997.

Under G.O., dated 27th September 1881, No. 2369 W., the Government school building at Satyamangalam was transferred to the London Mission Society for locating one of its middle schools conditionally on the building being used for no other purpose than that of a school, on its being kept in good repair, and on the punctual payment of a nominal rent of Rs. 6 per annum. Seven years after the building came to be occupied by the Native High school, Satyamangalam, with which the London Mission school was amalgamated (G.O., dated 22nd January 1891, No. 37). This school having since collapsed and the managers failing to fulfil the terms of their agreement with respect to repairs, the President, District Board, Coimbatore, has applied in the enclosed letter for the transfer of the building to the Taluk Board to be used for the Board Primary school which stands badly in need of accommodation. I beg to recommend that the President's request be complied with on the same conditions as those specified in G.O., dated 27th September 1881, No. 2369 W. Funds not being available in the Provincial budget for carrying out the initial repairs, the President's offer to incur the necessary expenditure from Local funds may also be accepted. As the matter was under correspondence and complete information has not yet been obtained, this application could not be disposed of earlier. In anticipation of sanction, the President has taken possession of the building.

ENCLOSURE.

From J. STURROCK, Esq., President, District Board, Coimbatore, to the Director of Public Instruction, dated 4th August 1892, Ref. on No. 1653 L.F.G.

The Government school-house, which was permitted to be occupied by the Native High school, Satyamangalam, in G.O., dated 22nd January 1891, No. 37, Educational, having been reported to be in very bad order owing to want of repairs, I asked the Inspector of Schools to distinctly intimate to the manager of that institution that, unless he formally undertook to put the building in repair as required by the conditions specified in G.O., dated 27th September 1881, No. 2369 W., the Government would be moved to transfer it to the Taluk Board. Shortly after this intimation the school-house was vacated and I have instructed the Taluk Board, Satyamangalam, to use it for their Primary school which has no other suitable accommodation.

2. I have the honour, therefore, to request that you will be so good as to obtain the sanction of Government for the transfer of the said building to the Satyamangalam Taluk Board for holding their Primary school under the conditions specified in G.O., dated 27th September 1881, No. 2369 W. According to an estimate now prepared by the Local Fund Engineer the repairs now required will cost Rs. 315 and if the initial repairs cannot be executed from Provincial funds the Taluk Board will be asked to provide for them as early as practicable.

Endorsement of the Local and Municipal Department of 24th September 1890, No. 762 on letter from the President, District Board, Kumbakonam, of 10 September 1890 No. 162, stating that there is no good ground for the resumption of the Government school house at Satyamangalam to the Taluk Board if the Native High School desires to retain it on the same terms as were agreed to by the London Mission, and continue to do good work.

Letter from the Director of Public Instruction, Madras, of 26th November 1890, No. 11982, submitting report on the above.

Order of 22nd January 1891, No. 37
