 1500 square feet, and the cost per square
 foot will be Rs. 2.10.7.

The plan & estimate have been countersigned
 by the Director of Public Instruction
 and approved in the Educational Department.

REMARKS.

The plan & estimate under review pro-
 vide for constructing a detached build-
 ing as an office for the Inspector of
 Schools of Division in the compound of
 the Madras Native College building.
 It was originally proposed to extend
 the College building by adding 3 rooms
 for the purpose but subsequently it has
 been decided to construct a detached
 building at some distance from the
 existing college.
 The proposed building is to contain
 2 rooms, measuring 20' x 20' & 14' x 20'
 respectively with front & rear ver-
 andahs 8 feet wide. It is designed
 with gable ends so as to admit of
 extension, if found necessary, for a
 second room. The dimensions of the
 rooms have been fixed in communica-

 No ceiling has been

Communication with the Asst. Inspector
 of Schools.
 The details of foundation proposed
 are stated to be the same as those
 sanctioned for the extension of the College
 building.
 No provision has been made for
 compensation for land, as the build-
 ing is to be constructed within the
 College compound, the property of
 Govt.
 The following rates are in excess of
 the Divisional Schedule.
 Paintwork in chunnam Rs 20.00 against Rs 18.00
 Teakwood work — 3.12.00 do — 3.00.00
 If schedule rates be adopted the
 saving will be Rs 95.
 The section proposed for the beams
 6" x 7 1/2" appears rather
 heavy, it may be reduced to 4 1/2" x 7"
 the roof being only of Mangalore tiles
