14TH JANUARY 1893, No. 85, JUDICIAL.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—again the following papers:—

G.O., dated 18th May 1892, No. 936, Judicial.
" " 3rd Oct. " " 817 L, Public Works.

READ—also the following papers:—

From W. B. DEWINTON, Esq., Superintendent of Works, No. I Periyár Division,
to the District Magistrate, Madura, dated Periyár, 1st November 1892,
No. 553-M.

In reply to your No. 1138, dated 26th October 1892, I have the honour to inform you that Government has lately ruled that work shall continue here without intermission throughout the year, and, although I have asked for the order to be cancelled, I cannot count on its being so.

2. In any case, a considerable number of work-people remain here throughout the year and are more in need of police protection during the recess when officers are absent than at any other period.

3. I therefore strongly recommend that a permanent establishment be retained throughout the year until the Periyár works are finished. The Sub-Magistrate can, if necessary, have his head-quarters at Uttamapalaiyam from April 1st to June 30th, or such other period as may be decided upon, and half the police force at a time may proceed to the plains, for 6 weeks of the same period, to give them the needed change.

No. 56.

Submitted * to the Chief Secretary to Government, Judicial Department, Madras, with reference to G.O., dated 18th May 1892, No. 936, Judicial.

* With copy of Sub-Collector's endorsement, Mis. No. 895, dated 26th October 1892.

2. As it will be most inconvenient if the Sub-Magistrate and his establishment come down once a year and upset permanent arrangements for 3 months, the continuance of the establishment throughout the year, until the completion of the Periyár works, is highly desirable.

MADURA,
7th November 1892.

(Signed) E. TURNER,
District Magistrate.

ENCLOSURE.

Endorsement, No. 895, Mis., dated 26th October 1892, from the Acting Sub-Collector, Dindigul.

Submitted to the Collector. Further information will be furnished when received from the Superintendent of Works.

2. It will be most inconvenient if the Sub-Magistrate and his establishment are to come down once a year and upset permanent arrangements for 3 months.

(Signed) G. T. WALCH,
Ag. Secy. to Govt., P.W.D.

From the Public Works Department, dated 23rd December 1892, No. 5471-C.

ORDER—dated 14th January 1893, No. 85, Judicial.

Under the altered circumstances of the case, it is obviously necessary that the Sub-Magistrate shall be retained at the camps throughout the year, but the Government does not see any necessity for making arrangements for a regular annual relief either of this officer or of his establishment or of the police. There would be no advantage in retaining the Sub-Magistrate if his head-quarters were fixed at Uttamapálaiyam for a portion of the year; he must, therefore, remain on the hills all the year round, and if his health or the health of his establishment suffers, leave must be granted under the ordinary rules and substitutes sent. The Inspector-General of Police can arrange for the periodical relief of the police if he thinks it necessary.

2. The following notification will be published in the *Fort St. George Gazette*:—

NOTIFICATION.

In modification of notification, No. 238, published on page 673 of the *Fort St. George Gazette*, dated 31st May 1892, the Governor in Council is pleased to declare that the Sub-Magistrate of Periyár shall have criminal jurisdiction over the lands referred to therein throughout the year, and that the Sub-Magistrate of Uttamapálaiyam shall cease to exercise any jurisdiction over the said lands.
