Letter to the Accountant-General, North-Western Provinces and Oudh, No. 2264-P., dated the 30th May 1893.

Order.—Ordered that copies of this correspondence be forwarded to all Local Governments and Administrations, to the Comptroller and Auditor-General, and to all Accountants-General * and Comptrollers, for information.

Ordered also, that copies be forwarded to the several departments of the Government of India for information and issue of any further necessary orders.

(Signed) R. A. GAMBLE,
Offg. Under Secy. to the Govt. of India.

ENCLOSURES.

From E. LAWRENCE, Esq., Officiating Accountant-General, North-Western Provinces and Oudh, to the Secretary to the Government of India, Finance and Commerce Department, dated 10th April 1893, No. 550—G.A.D.

With reference to the correspondence ending with this office letter, No. 27185—G.A.D., dated 29th March 1893, I have the honour to enquire whether an officer subject to the Indian Services Leave Rules, who has been granted furlough out of India, not on grounds of ill-health, can, in the event of his furlough being commuted while in Europe into leave on medical certificate under Article 266 of the Civil Service Regulations, get the benefit of the minimum leave allowances referred to in Article 374, and if so, from what date,—whether from the date of the extension, or from the date of the commencement of the leave originally granted him.

2. From the extract of the Secretary of State's despatch given in paragraph 5 of the Government of India, Financial Department, Resolution No. 4863, dated 4th December 1891, it would appear that the new minimum rates are meant to benefit officers whose health has broken down in India, and who are compelled under medical advice to seek the restoration of their health in a temperate climate. If then an officer while in good health in India proceeds to England of his own pleasure, it does not appear that, if subsequently while at home his health becomes impaired, he has any claim to the benefit of the rule. As, however, under Article 266 his whole leave from the commencement must be commuted into leave on medical certificate, and as Article 374 fixes the minimum for all leave on medical certificate without distinction, I feel doubtful as to how the rule should be applied.

3. In this connection, I have the honour to forward a copy of Government Order, No. 831—11-90-C., dated 28th March 1893, and to enquire, with reference to the concluding portion of paragraph 3 of the Secretary of State's despatch, No. 21 (Financial), dated 17th November 1892, received with Government of India, Financial Department, No. 169-P., dated 13th January 1893, whether the certificate by the Civil Surgeon referred to in the Government Order may be accepted, or whether that of a "Board" should be insisted upon.

From the Honorable J. J. D. LATOUCHE, Chief Secretary to Government, North-Western Provinces and Oudh, to all Heads of Departments, North-Western Provinces and Oudh, dated 28th March 1893, No. 831—11-90-C.

I am directed to forward for your information the accompanying copy of a letter, No. 169-P., dated 13th January 1893, from the Government of India, Finance and Commerce Department, and of its enclosure; and to request that when submitting an application for leave out of India other than on medical certificate from a gazetted officer, not belonging to the Civil Service or being a Military officer in Civil employ, you will be good enough to state whether the leave is necessary on account of the state of the applicant's health, and, if so, to submit a certificate by the Civil Surgeon in support of that statement. In the absence of such a certificate or other assurance based on professional opinion, the leave out of India will be held not to have been required on account of the officer's state of health.

From R. A. GAMBLE, Esq., Officiating Under Secretary to the Government of India, Finance and Commerce Department, to the Accountant-General, North-Western Provinces and Oudh, dated 30th May 1893, No. 2264-P.

In reply to your letter, No. 550—G.A.D., dated the 10th April 1893, I am directed to say that the minimum rate of absentee allowance prescribed in Article 374, Civil Service Regulations, is not admissible in the case instanced in paragraph 1 of your letter for any portion of the leave.

2. With reference to paragraph 3 of your letter, I am to say that the medical certificate should be the same as that required by the Civil Service Regulations to entitle an officer to leave on medical certificate, and should recommend leave out of India.

ORDER—dated 30th June 1893, No. 618, Financial.

Communicated to all Departments and Heads of Departments, in continuation of G.O., dated 13th June 1893, No. 563.
