1st February 1893

From

E. S. D. Steensons Esqre
District Superintendent of Police

Tinnevelly District

To

The Collector & District Magistrate
Tinnevelly.

SIR,

I have the honor to forward herewith a plan and an estimate amounting to Rs 516 for enlarging and improving the Police station at Tuticorin, which is far too small for an important place like Tuticorin and for the number of men attached to the station.

2. This station forms a part of the building in which the Sub Magistrate's office is held. It is a pukka building constructed by the D. P. M.

3. The Inspector General of Police

informs me in his Memorandum
no 495 dated 27.1.93, that the
proposed additions should be made
by the D. & M.

4 -

In the above circumstances
I request you will be so good
as to request the D. & M.
Dept. to execute the proposed
Additions

I have the honor to be

Sir,

Your most obedient Servant,

District Superintendent of Police

With reference to your endorsement No. 985 dated 3rd June 1893 on letter No. 673 of 20th May '93 from the District Magistrate of Tinnevely, I have the honor to state that on my recent inspection of the station at Tuticorin which forms a part of the Sub Magistrate's butchery, I found the accommodation

accommodation it afforded was far too small
and desired the Superintendent to apply to the
P. W. Department through the Revenue Department
for its improvement. I consider it to be absolutely
necessary.

Order of 2nd June 1893, No: 1253.

The necessary action for the execution
of the work in question will be taken in the
Public Works Department.
