27TH JANUARY 1893, No. 189 W., PUBLIC WORKS.

189

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From W. HUGHES, Esq., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepak, 16th January 1893, No. 17 W.

The metalling of road over Veeranam tank bund, being a portion of the large estimate of Rs. 48,874 sanctioned in G.O., No. 1997 W., dated 13th July 1892, having been commenced, the Executive Engineer, South Arcot, has, in anticipation of sanction of Government, made over charge of the road temporarily to the Local Fund Engineer until the completion of the work in view to avoid having two departments working on the same piece of road.

2. I have the honour to request that arrangement be made for the transfer to the Local Fund Department of Rs. 101, being the unexpended balance of the budget grant of Rs. 900 for the upkeep of road from Shatiatope to Omampuliyoor for the current official year.

3. I enclose, for information, copy of letter No. 102, dated 16th November 1892, from the Local Fund Engineer on the subject.

ENCLOSURE.

From R. E. NORFOR, Esq., C.E., Local Fund Engineer, South Arcot, to the Executive Engineer, South Arcot division, dated Shatiatope, 16th November 1892, No. 102.

I have the honour to inform you that I have started the metalling of the Veeranam tank bund and would suggest that until its completion the maintenance of the road over the bund, together with the maintenance grant, be handed over to my department; it will be better that one instead of two departments be working on the same piece of road and there will thus be no need for a double establishment. My overseer informs me that your sub-divisional officer has no objection to this arrangement.

2. I have addressed the Taluk Board President on the subject, but as it will probably be some considerable time before the papers go through the Board and eventually get to you, I would be glad if you can see your way to effecting the change in anticipation. The Board are not likely to raise any objection.

ORDER—dated 27th January 1893, No. 189 W., Public Works.

In the circumstances stated, sanction is accorded to the temporary transfer to the District Board, South Arcot, of the charge of the upkeep of the portion of the road from Shatiatope to Omampuliyoor *via* Veeranam tank bund hitherto maintained by the Public Works Department.

2. The sum of Rs. 101, being the unspent balance of the grant in the incorporated Local Fund budget for the maintenance of the road in question, is accordingly surrendered to the Local and Municipal Department in view to the amount being placed at the disposal of the District Board.
