Proceedings of the Board of Revenue (Land Revenue), dated 25th May 1893, Mis. No. 3140.

Read—the following paper:—

From F. A. NICHOLSON, Esq., Acting Collector of Anantapur, to the Secretary to the Commissioners of Land Revenue, dated 16th May 1893, Dis. No. 1493.

I have the honour to forward, herewith, an estimate, amounting to Rs. 32,900, for the construction of a new taluk cutcherry at Hindupur, received from the Superintending Engineer, III Circle.

Resolution—dated 25th May 1893, Mis. No. 3140.

The site plan and estimate for constructing a taluk cutcherry at Hindupur at a cost of Rs. 32,900 are submitted for the sanction of Government with reference to G.O., dated 4th March 1893, Mis. No. 894. The estimate, it is observed, includes a provision of Rs. 251 for an aloe or korkapalli hedge. As such hedges harbour snakes, it is suggested that a tarbed wire fence may be substituted.

2. The building should be built so as to face north and not west as in the plan.

(A true Copy and Extract.)

(Signed) R. C. C. CARR,
Acting Secretary.

No. 2329, Revenue.

The plan and estimate are approved and will be transferred to the Public Works Department in which the Board's suggestions in paragraphs 1 and 2 will be considered.

COTACAMUND,
23th June 1893.

(Signed) R. H. CAMPBELL,
Ag. Under Secretary.

ORDER—dated 27th July 1893, No. 1948 W., Public Works.

The estimate, amounting to Rs. 32,900, for constructing a first-class taluk office at Hindupur in the Anantapur district, has been reduced to Rs. 32,660 by omitting the provision for a korkapalli hedge and is sanctioned for the reduced amount.

2. A supplemental estimate providing for a barbed wire fence in lieu of the korkapalli hedge should be submitted.

3. The building should, as suggested by the Board of Revenue, be constructed so as to face north.

4. This sanction has been registered as Provincial No. 62 W. of 1893-94 and classified as Civil Buildings, Original Works.
