PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of
the Board of Revenue, Separate Revenue, dated 17 March
1893, no. 1012 Misc. on Proceedings of the Revenue kept
dated 6 March 1893, No. 904.

Resolution

Referring to Govt. order No. 242 W. dated
22nd February 1893 communicated with the paper read
above, the Board begs to state that no provision
for the work therein referred to, was made by it in
its schedule of requirements for 1893-94, as it was
always understood that the Salt Department would
not be called upon to bear any portion of the initial
outlay on the construction of the canal. That Govern-
ment has also taken this view appears from its
remark in para 3 of G.O. No. 225 Misc. dated 12th
January 1892, and from G.O. No. 1569 Misc. dated 22nd
March 1892. The Board therefore requests that the
Public Works Department be moved to make a
special application for funds, as the Canal is
essential for the development of the Mangalore district.
