that as the construction is to be undertaken
by the D. P. W. under the supervision of the
District Surgeon, necessary funds will have
to be placed at the disposal of that
Department, and to request therefore, that
the Board will be pleased to move the

as desired by this officer in his letter to

Submitted to Government with the request that the sanction of the work by the Public Works Department and the transfer of funds for the purpose to that Department may be sanctioned.

2. The necessary provision for the expenditure will be made in the revised budget estimate for the current year.

Read also the following Proceedings of the Board of Revenue, Revenue Settlements dated 5th July 1893; No. 3944 in a letter from the Accountant General, ^{dated} 12th June 1893 No. 1619:—

The Treasury officer, Godavari, requests that a sum of Rs 264-14-0 may be placed at the disposal of the Public Works Department for the construction of rain-gauge pillars and fences and I have the honor to enquire whether the sanction of Government in the Financial Department has been obtained for the execution of the work by the Public Works

Department. If not I request that you will be good enough to obtain the required sanction to enable me to place funds at the disposal of that Department as requested.

Resolution.

Submitted to Government with the request that the necessary orders may be issued. A similar application was approved in G.O. dated 16th March 1893, No. 1081 Rev. It is suggested that in similar cases the Accountant-General may be authorized in all cases to transfer funds for the erection of rain-gauge pillars by the Public Works Department, if the work has been sanctioned by the Board.

2. The Collector of Godavari is requested to report whether the funds now required to be transferred will fully cover the cost of construction of the 21 rain-gauge pillars sanctioned in Board's Proceedings, dated 12th May 1893, No. 2769.
