SIR,

I have the honor to state that the Deputy Tahsildar's office at Gajapatnam has lately been removed to a new building built there for the purpose. The Superintendent of Police informs me that the accommodation provided in it for the use of the Police is inadequate for the requirements of a large kusta Police station, in which opinion I fully agree, and adds that his Department is contemplating erecting a building for the purpose shortly. He requests that until this is done the old Deputy Tahsildar's office building may be allowed to remain under the use of the Police Department which has all along occupied a part of it. I therefore request that the sanction of Government may be obtained for this.

I have the honor to be
