Finance Department Resolution No. 1142, dated 17th March 1892.

RESOLUTION.—Under the rules regulating the administration by Local Governments and Administrations of Provincial Revenues and Expenditure the Government of India are required to exercise a general control over the expenditure on Public Works from Provincial and Incorporated Local Funds. The funds set aside for outlay on Provincial Civil Works under the control of Public Works officers during 1893-94, the second year of a new Provincial contract, are analysed in the following paragraphs.

A separate review of the expenditure by Public Works officers on Civil Works, from Incorporated Local Funds, will issue in due course.

2. In the following table the grants for 1893-94 are compared with the outlay on Provincial Civil Works during the five years ending 1891-92 and the Revised Estimate for 1892-93:—
