From S. Gopalakrishna Esq. Esq.
Executive Engineer, Krishna Western Division
to the Superintending Engineer ²⁰⁵³ ~~2053~~ file
dated 3rd July 1893. No. 182 S.

I have the honor to resubmit for sanction
a second revised estimate for constructing
new Lime Kiln and Coal shed and general
improvements to the existing Lime Kiln at
Vadheerwaram including the annual
repairs thereto and to state that a sum of
Rs. 310 paid in last year on account of
compensation for land required for
quarrying lime stone is also provided in
the present estimate.

As the Examiner P.W. Accounts, Madras
has pointed out in para 13 of his audit
note on accounts of this Division for
December 1892 that the sanction of Govt.
is necessary for accounting separately for
the expenditures incurred on the repairs to the
old Kiln estimate Rs. 500 and on the
item

item of Compensation paid for land
 required for quarrying lime stone, the
 charges incurred on the above up to date
 have been debited to the estimate of
 Rs. 3540 sanctioned in G.O. No. 1480 Wd/13-5-92.

But as the amount of this estimate is now
 increased by Rs. 870 I request that sanction
 of Government may be obtained for
 relieving the Land and Kulu account
 at Rs. 65 per month in the course of 6 years.

Dated 19th July 1893
From the Super Engineer II Circle

TECHNICAL NOTE.

Name of work "Stock manufacturing" "Lime & Kiln" at Vadachewaram, Krishna Western Dist.

The Super Engineer II Circle submits for the sanction of Govt. a second revised estimate, amounting to Rs 4410, for constructing new lime kilns & coal sheds & for general improvements to the existing kilns at Vadachewaram, in the Krishna Western Division, in lieu of the first revised estimate, amounting to Rs 3540 sanctioned in G.O. No. 1490 W dated 13th March 1892.

The excess of Rs 870 is due to certain repairs essential to the old kilns, such as renewing buttresses, repairs to walls in crop & removal of damaged doors etc. at an estimated cost of Rs 500 & to the payment of compensation for land required for quarrying lime stone viz Rs 370. Owing to this excess of Rs 870 and the sanctioned estimate the Executive Engineer requests the sanction of Govt. to the debit of the cost to land & kiln being increased by amount.

monthly credits of Rs 65 in lieu of
Rs 50 as sanctioned.

The rates are fair.

The estimate may be sent to C
for favor of remarks, as to whether
the estimate is in order.
