GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following paper :—

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 2nd August 1893, No. 405 M.D.

With reference to G.O., No. 3406 W. of the 12th December 1892, regarding the old taluk cutcherry at Nilakkotai in the Dindigul taluk, Madura district, I have the honour to state that the President, District Board, in his No. 660, dated 25th July 1893, now states that the building is not required for the purposes of the Union office.

2. The Taluk Board, Dindigul, considers that the building is in need of repairs which would cost about Rs. 150—the approximate price for which the building could be sold in auction and a much larger sum than the Nilakkotai union can properly spend on an office—and that it is undesirable to take over the building on the conditions proposed by this office, as moreover the office can be located in the Deputy Tahsildar's office as hitherto.

3. The building is not required for any Government purpose. I would, therefore, propose the advisability of selling it in public auction on the sanction of Government.

ORDER—dated 11th August 1893, No. 2063 W., Public Works.

The sale of the building by the Revenue Department is sanctioned.
