GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From J. F. FINLAY, Esq., Secretary to the Government of India, Finance and Commerce Department, to the Secretary to the Government of Bombay, dated Simla, the 8th July 1893, No. 2924-A.

I am directed to transmit, for the information of the Government of Bombay, copy of a notification, No. 2923-A., dated the 8th July 1893, reminding officers of the Government and the public that Portuguese-Indian coins are not now legal tender in British India.

2. I am to explain that when the Convention under which these coins were struck came to an end in February 1892, it was not considered necessary to take any steps to stop their receipt in the treasuries and by the public. Circumstances have, however, now changed with the closing of the mints to the coinage of silver for the public, and it is desirable that the circulation of these coins in British India should cease. I am to request, therefore, that officers in charge of treasuries may be instructed to receive no more such coins in payment of Government dues, and to send to the mint all such coins as may have already been received. I am also to suggest that intimation should be conveyed to railway, post office, telegraph, municipal and district board officials that such coins should not in future be received.

Copy, with copy of the notification, forwarded to all other local Governments and Administrations for information and guidance, and to the Comptroller and Auditor General.

(By Order.)

(Signed) J. E. O'CONOR,
Asst. Secy. to the Govt. of India.
