To

The Chief Engineer,

PUBLIC WORKS DEPARTMENT.

SIR,

ENCLOSURES.

With reference to L.O. No. 1610 W of the 16th June 1893, I have the honor to state that the full amount of the revised estimate Rs 2,780 is required for the current year for repairing and improving the Deputy Tahsildars office at Indukulathur in Nadura.

2. Against the original estimate of Rs 2,490 sanctioned under Repairs, Rs 2,081 were spent last year; but as this latter amount is to be written back now to Original works - Major, this, in addition to balance Rs 699 of the revised estimate, is also required to cover the write back.

3. From the current years grant
of Rs 6,350 under Repairs Civil
Buildings for the Division, no-
thing can be spared, but on the
contrary an additional grant
of more than a thousand rupees
will be required, which will be
applied for in due course.

I have the honor to be
Sir,
Your most obedient servant

W. Hughes

OFFICE NOTE No. 414 D

To

Your office note No. 2689 C. dated
22nd. July 1893.

The outlay on the work to end of
last year is Rs. 2,020 and not Rs. 2,081
as stated by the Supg. Engineer.

2. If the above Rs. 2,020 is now
transferred from Repairs to Original
Works, it will make so much more money
available for expenditure under the head
"Repairs" in addition to the existing
grant of Rs. 6,350.

3. I would suggest therefore that a
transfer of grant to the extent of
Rs. 2020 from Repairs Civil Buildings to
Original Works Civil Buildings be made
at an early date to cover the proposed
write-back of outlay to the ^{head} "Original
Works".
